(2) Staff counts for prior years have been restated to reflect the current organizational structure in order for trend analysis.

(3) Breakdown of Supplemental Faculty and Supplemental Staff for Ann Arbor is found in a companion report: Faculty and Staff Headcount Summary.

Notes: All faculty and staff are counted only once based on the official count date of November 1 of the relevant year. Headcounts for all regular faculty, with the exception of primary (research) faculty, are based on appointments as of November 1 and include both paid and unpaid appointments. Primary (research) faculty, regular staff, and supplemental staff headcounts are based on paid appointments as of November 1.

(Please note that the above counts include some supplemental job titles held by individuals who are also included in student counts. Adding the above counts to student counts will result in double counting.)
