September 2014

Dear Campus Community Member:

Thank you for taking the time to read this publication. It is packed with helpful information about safety and security on our campus.

This report is part of our on-going effort to inform you of the safety programs and services available to the University community, the crimes that are reported to our police and security personnel, and the steps you can take to maintain a safe and secure campus. It also is provided as our compliance document as called for under the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act as well as the Annual Fire Safety Report as required by the Higher Education Opportunity Act.

We take the commission of crimes against our students, faculty, staff and visitors very seriously, and aggressively investigate reported crimes. We also collaborate with other law enforcement agencies and campus groups to reduce crime on campus.

Additionally, we have many other programs that continue to enhance the security and safety of our campus community. We welcome you to visit our departments for a tour or even participate in our “ride along” program and meet our officers.

Prevention, however, is the best cure for crime. We must ensure that our persons and property are secure and protected by a responsible, vigilant and caring population of involved people who report suspicious and unlawful behavior immediately to the University Division of Public Safety and Security. We welcome your assistance in contributing to a safe campus by getting involved and securing your property. Together we can help make campus a safe place for everyone.

Sincerely,

Eddie L. Washington, Jr.
Executive Director

**Victim's Rights**

Michigan state law requires that the law enforcement officer responding to your case provide you with this information if you have been a victim of:

- Any felony
- Any other crime for which the offender, upon conviction, may be punished by imprisonment for more than one year.

If emergency medical aid is necessary, it may be obtained at University Hospital Emergency Department (734) 936-6666 or St. Joseph Mercy Hospital Emergency Room (734) 712-3000. Transportation is available through your local emergency medical service by dialing 911.

Other available resources include:
- Office of Student Conflict Resolution (OSCR) ........................ (734) 936-6308
  www.oscr.umich.edu
- Office for Institutional Equity (OIE) ................................. (734) 763-0325
  www.hr.umich.edu/oie
- Dean of Students Office .................................................. (734) 764-7420
  www.deanofstudents.umich.edu
- Personal Protection Order Assistance ............................... (734) 222-3381

Information regarding victim/witness assistance is available 24 hours a day by contacting the U-M Police Department at (734) 763-3434.

Victim’s compensation benefits may be available under certain conditions. To apply or if you have questions contact:
- Crime Victim’s Compensation Board
  Lewis Cass Building
  320 South Walnut Street
  Lansing, MI 48933
  Phone: Toll Free (877) 251-7373 (victims only) or (517) 373-7373

Information pertaining to victim’s rights may be obtained by contacting the Washtenaw County Prosecuting Attorney's Office:
- Prosecutor Brian L. Mackie
  P.O. Box 8645
  200 N. Main Street
  Ann Arbor, MI 48107
  Phone: (734) 222-6620
  Victim/Witness Unit: (734) 222-6650

If you would like to know the status of your case, be notified of an arrest in your case or the release of the person arrested, or both, please contact the U-M Police Department at (734) 763-3434.

---
This handbook is intended to be used by University of Michigan students, staff, faculty and visitors. It provides useful information and references for issues relating to campus safety. It is organized into the following major sections:

- **the Quick Reference** section lists Emergency Services and provides numbers for safety, security, and medical; counseling; health, mental health, substance abuse; transportation; and U of M resources;

- **the Crime Statistics** section lists statistics of crimes reported on and near campus in the past three years;

- **the Annual Fire Safety Report** includes fire statistics for on-campus student housing facilities, description of fire safety systems in each housing facility as well as additional fire safety information;

- **the Campus Safety** section details safety on campus, offers some risk reduction techniques, and describes services available on- and off-campus;

- **the University Policies and State Laws** section provides details of University and State of Michigan rules, regulations and laws regarding safety issues such as sexual assault, harassment, stalking, alcohol, drugs, fire setting, false alarms, weapons possession, access control and sex offender registry;

- **the Safety and Health-Related Resources, Counseling and Support Services, and University Programs** section describes police agencies, on-campus support services, off-campus support services, and University programs that address issues of safety, health, mental health, discrimination, conflict and conflict resolution.

This Annual Security Report (ASR), which is compiled and published by the U-M Division of Public Safety and Security, defines types of crimes which may occur, suggests safety tips to help ensure one's safety and the safety of one's belongings, and identifies related safety programs and resources in an effort to promote a safe and secure environment. Safety is ultimately the responsibility of the individual and his or her cooperation is essential to improve security for everyone.

This handbook is published each year by October 1 to meet the requirement of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act to publish an Annual Security Report. U-M DPSS works with many other departments on campus, such as the Dean of Students Office, the Office of Student Conflict Resolution, Division of Student Life and the U-M Health System, as well as other agencies off campus, including law enforcement agencies and emergency service providers, to compile this information. It also is intended to meet the requirements of the Higher Education Opportunity Act to publish an Annual Fire Safety Report (AFSR).

Additional copies of the U-M ASR/AFSR can be obtained by calling (734) 763-8391. The official crime statistics section (complete with status updates after Aug. 1, 2014) can be viewed at www.dpss.umich.edu.

Emergency Services

Fire, Police or Medical Emergencies

Dial 9-1-1

or pick up an emergency blue light campus phone
or a carport emergency phone located in University-owned parking structures.
There is no need to dial; simply lifting the receiver or pushing the button alerts the U-M DPSS.

Dialing 9-1-1 from a University phone, you will be connected with: the U-M DPSS.

Dialing 9-1-1 from a non-University phone, you will be connected with:
The Ann Arbor Police Department or Washtenaw County Sheriff’s Department.

All students, faculty, and staff are encouraged to promptly and accurately report all suspicious activity to the U-M Division of Public Safety and Security and/or other appropriate authority.
The U-M Division of Public Safety and Security prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report can be located on the U-M DPSS website at http://dpss.umich.edu/docs/clery.pdf. This report, which is compiled by the University’s Clery Compliance Coordinator in DPSS, is prepared in cooperation with the Ann Arbor Police Department and other law enforcement agencies surrounding the Ann Arbor campus and outlying areas as well as those with police jurisdiction for other U-M properties in cities such as Detroit and Southfield, and the Division of Student Life, including University Housing as well as the Office of Student Conflict Resolution (OSCR) and the Office for Institutional Equity.

Campus crime, arrest and referral statistics include those reported to U-M DPSS, other law enforcement agencies and designated campus officials considered to be “Campus Security Authorities” (CSAs). CSAs include but are not limited to University Housing staff member; Division of Student Life staff; Athletics coaches; Office of Student Conflict Resolution; University deans, directors and department heads; student judicial affairs; senior human resource directors of Staff HR Services, Academic Human Resources and UMHS HR Staff and Labor Relations; and advisors to recognized student organizations.

Campus “Professional Counselors” in Counseling and Psychological Services (CAPS) and Sexual Assault Prevention and Awareness Center (SAPAC) staff, when acting as such, are not considered to be a campus security authority and are not required to report crimes for inclusion into the Annual Security Report. However, as a matter of policy, they are encouraged to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion into the annual crime statistics.

Each year, an e-mail notification is made to all enrolled students, faculty and staff that provides the website address to access this report. Copies of this report also may be obtained at the U-M DPSS office at 109 E. Madison St., the U-M Police Department at 1239 Kipke Dr., or by calling (734) 763-8391. All prospective students and employees are informed in application packets of the report’s existence and the website address where it can be found.

</table>

“Reported to Other CSAs” are crimes that have been reported to U-M officials who are considered Campus Security Authorities other than police and security officers. These are not duplicative of police reports.

† Residential Facilities: These statistics are included in the On-Campus statistics; they include only incidents which occurred in residence halls and Northwood Community Apartments.

* Three new crime classifications were added to the Clery-reportable crimes for 2013. The reports for domestic violence and dating violence also may be included in a sexual assault or aggravated assault category.

Police reports include statistics from the U-M Police and the Ann Arbor Police. Police in other jurisdictions reported no crime reports or arrests at the following locations:
- Ann Arbor campus (Michigan State Police)
- Other Michigan locations: Detroit Center (Woodward Ave, Detroit MI), Biological Station (9133 Biological Rd, Pellston MI), CS Osborn Preserve (Sugar Island, Sault Ste Marie MI), Commerce Park (15041 Commerce Park, Dearborn MI), and Pinckney, MI, locations (George Reserve, Fresh Air Camp, Stinchfield Woods, Base Line Camp)
- Other remote locations: Beverly Hills (Beverly Wilshire Hotel, 9500 Wilshire Blvd, Beverly Hills, CA), Camp Davis (13405 S Bryan Flat Rd, Jackson WY)

### 2013 Bias Crimes

The following crimes that manifest evidence of prejudice based on race, religion, sexual orientation, gender, disability or ethnicity were reported the past three years:
- One UMPD report, on-campus, vandalism with a sexual orientation bias
- One UMPD report, on-campus, vandalism with a religious bias
- One AAPD report, public property, non-aggravated assault with a sexual orientation bias

See page 10 for definitions.
See pages 20-21 for “On-Campus Property” locations.

“Reported to Other CSAs” are crimes that have been reported to U-M officials who are considered Campus Security Authorities other than police and security officers. These are not duplicative of police reports.

† Residential Facilities: These statistics are included in the On-Campus statistics; they include only incidents which occurred in residence halls and Northwood Community Apartments.

Police reports include statistics from the U-M Police, the Ann Arbor Police, and police in the following locations:

- Detroit Center (Woodward Ave, Detroit, MI) – 1 burglary;
- Beverly Hills (Beverly Wilshire Hotel, 9500 Wilshire Blvd, Beverly Hills, CA) – 1 burglary.

Locations reporting 0 crimes include Biological Station (9133 Biological Rd, Pellston, MI), Camp Davis (13405 S Bryan Flat Rd, Jackson, WY), CS Osborn Preserve (Sugar Island, Sault Ste. Marie, MI), Southfield Town Center (3000 Town Center, Southfield, MI), Commerce Park (15041 Commerce Park, Dearborn, MI) and Pinckney, MI, sites (George Reserve, Fresh Air Camp, Stinchfield Woods, Base Line Camp).

### 2012 Bias Crimes

The following crimes that manifest evidence of prejudice based on race, religion, sexual orientation, gender, disability or ethnicity were reported the past three years:

- one UMPD report, on-campus, stalking with religion bias
- one UMPD report, on-campus, stalking with ethnicity bias
- two UMPD reports, on-campus, simple assault with racial bias
- one UMPD report, on-campus, simple assault with sexual orientation bias
- one UMPD report, on-campus, vandalism with sexual orientation bias
- one report, to non-police, on-campus of intimidation with racial bias
- one report, to non-police, on-campus of vandalism with racial bias

See page 10 for definitions.

See pages 20-21 for “On-Campus Property” locations.
“Reported to Other CSAs” are crimes that have been reported to U-M officials who are considered Campus Security Authorities other than police and security officers. These are not duplicative of police reports.

† Residential Facilities: These statistics are included in the On-Campus statistics; they include only incidents which occurred in residence halls and Northwood Community Apartments.

Police reports include statistics from the U-M Police, the Ann Arbor Police, and police in the following locations:
Southfield Town Center (3000 Town Center, Southfield, MI) – 2 motor vehicle thefts.

Locations reporting 0 crimes include: Biological Station (9133 Biological Rd, Pellston, MI), Camp Davis (13405 S Bryan Flat Rd, Jackson, WY), CS Osborn Preserve (Sugar Island, Sault Ste. Marie, MI), Commerce Park (15041 Commerce Park, Dearborn, MI); and Pinckney, MI, sites (George Reserve, Fresh Air Camp, Stinchfield Woods, Base Line Camp); Detroit Center (Woodward Ave, Detroit, MI) – no report.

2011 Bias Crimes
The following crimes that manifest evidence of prejudice based on race, religion, sexual orientation, gender, disability or ethnicity were reported the past three years:
- one UMPD report, on-campus, simple assault with sexual orientation bias
- one Ann Arbor Police report, non-campus, simple assault with sexual orientation bias
- one report, to non-police, on-campus, simple assault with sexual orientation bias
- two reports, to non-police, on-campus of intimidation with gender bias
- one report, to non-police, non-campus of intimidation with sexual orientation bias
- two reports, to non-police, on-campus in residence halls of vandalism with racial bias

See page 10 for definitions.
See pages 20-21 for “On-Campus Property” locations.
Definitions

Aggravated Assault - An unlawful attack by one person upon another wherein the offender uses a weapon or displays it in a threatening manner, or the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration, or loss of consciousness. This also includes assault with disease (as in cases when the offender is aware that he/she is infected with a deadly disease and deliberately attempts to inflict the disease by biting, spitting, etc).

Arson - To unlawfully and intentionally damage, or attempt to damage, any real or personal property by fire or incendiary device.

Bias Crime - See Hate Crime

Burglary - The unlawful entry into a building or other structure with the intent to commit a felony or a theft.

Dating Violence - The term “dating violence” means violence committed by a person -
   a. who is or has been in a social relationship of a romantic or intimate nature with the victim; and
   b. where the existence of such a relationship shall be determined based on the reporting party’s statement with consideration of:
      (i) The length of the relationship. (ii) The type of relationship. (iii) The frequency of interaction between the persons involved in the relationship.

Domestic Violence - The term “domestic violence” includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

Drug Abuse Violations - Violations of State and local laws relating to the unlawful possession, sale, use, growing, manufacturing, and making of narcotic drugs. The relevant substances include: opium or cocaine and their derivatives (morphine, heroin, codeine); marijuana; synthetic narcotics (demerol, methadone); and dangerous non-narcotic drugs (barbituates, benzodrine).

Fondling - The touching of the private body parts of another person for the purpose of sexual gratification, forcibly and/or against that person’s will; or not forcibly or against the person’s will where the victim is incapable of giving consent because of his/her youth or because of his/her temporary or permanent mental or physical incapacity.

Forcible Sodomy - Oral or anal sexual intercourse with another person, forcibly and/or against that person’s will; or not forcibly or against the person’s will where the victim is incapable of giving consent because of his/her youth or because of his/her temporary or permanent mental or physical incapacity. Beginning in 2013, these reports, if any, are included in the Rape category.

Hate Crime - A crime reported to local police agencies or to a campus security authority that manifests evidence that the victim was intentionally selected because of the perpetrator’s bias against the victim. For the purposes of this section, the categories of bias include the victim’s actual or perceived race, religion, gender, gender identity, sexual orientation, ethnicity, national origin, and disability.

Incest - Non-forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

Larceny - The unlawful taking, carrying, leading, or riding away of property from the possession, or constructive possession, of another person.

Liquor Law Violations - The violation of laws or ordinances prohibiting: the manufacture, sale, transporting, furnishing, possessing of intoxicating liquor; maintaining unlawful drinking places; bootlegging; operating a still; furnishing liquor to a minor or intemperate person; using a vehicle for illegal transportation of liquor; drinking on a train or public conveyance; and all attempts to commit any of the aforementioned. (Drunkenness and driving under the influence are not included in this definition.)

Motor Vehicle Theft - The theft of a motor vehicle.

Note: A “motor vehicle” is a self-propelled vehicle that runs on the surface of land and not on rails, and which includes automobiles, buses, recreational vehicles, trucks, motorcycles, motor scooters, trail bikes, mopeds, snowmobiles and golf carts.

Murder and Non-negligent Manslaughter - The willful (non-negligent) killing of one human being by another.

Negligent Manslaughter - The killing of another person through negligence.

Non-Campus Property - off-campus property that is owned or managed by a recognized student organization, such as fraternities, sororities and cooperatives. Additionally, this includes incidents reported at remote campus locations on property owned or leased by U-M.

On-Campus Property - the property the U-M (Ann Arbor) owns or manages within the city of Ann Arbor as well as Ann Arbor Township

Public Property - the streets, sidewalks and public parking facilities that adjoin campus property.

Rape (Except “Statutory Rape”) - The carnal knowledge of a person, forcibly and/or against that person’s will; or not forcibly or against the person’s will where the victim is incapable of giving consent because of his/her temporary or permanent mental or physical incapacity.

Robbery - The taking, or attempting to take, anything of value under confrontational circumstances from the control, custody, or care of another person by force or threat of force or violence and/or by putting the victim in fear of immediate harm.

Sexual Assault With An Object - To use an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, forcibly and/or against that person’s will; or not forcibly or against the person’s will where the victim is incapable of giving consent because of his/her youth or because of his/her temporary or permanent mental or physical incapacity. Beginning in 2013, these reports, if any, are included in the Rape category.

Stalking - The term “stalking” means engaging in a course of conduct directed at a specific person that would cause a reasonable person to (A) fear for his or her safety or the safety of others; or (B) suffer substantial emotional distress.

Statutory Rape - Non-forcible sexual intercourse with a person who is under the statutory age of consent.

Weapon Law Violations - The violation of laws or ordinances dealing with weapon offenses, regulatory in nature, such as: manufacture, sale, or possession of deadly weapons; carrying deadly weapons, concealed or openly; furnishing deadly weapons to minors; aliens possessing deadly weapons; and all attempts to commit any of the aforementioned.

Definitions from the Department of Justice or the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act.
FIRE SAFETY IN ON-CAMPUS HOUSING

Keeping our campus safe and healthy is a priority for everyone. Planning ahead and taking precautions can be important elements in maintaining a safe environment. This especially is true regarding fire prevention – from installing appropriate infrastructure to taking personal responsibility to avoid creating potential for accidental or intentional fires – everyone can participate. In on-campus residential environments with hundreds of people living in close proximity, each person must adhere to strong fire prevention practices and look out for their neighbors. University Housing provides a number of important services and programs designed to help students think ahead, live smart and play it safe during their years in University Housing. All residence halls, including resident rooms, are smoke-free environments. For more information, including residence hall fire safety policies, guidelines and prohibited items as well as additional fire safety tips, visit the University Housing website at www.housing.umich.edu/health-and-safety.

A minimum of one fire drill per academic year was conducted in each residence hall in September 2013. Activating a false fire alarm is a violation of state law. See Fire Setting and False Alarms section on page 30. All fires should be reported to the U-M Division of Public Safety and Security. Notification of occupants is effected by horns, speakers, strobe lights and sounder-bases. Each fire alarm system has 24-hour battery backup power. All fire alarm systems report, upon activation, to the U-M Division of Public Safety and Security Communications Center via MOSCAD wireless transmission.

Each residence hall is equipped with fire-rated door assembly in each fire-rated enclosure, including stairwells, corridors and individual residential rooms. Each residential corridor also is equipped with one or more fire extinguishers.

The following chart details fire sprinkler systems currently installed in University of Michigan owned and operated traditional residence halls. “Full” refers to a building that is 100% protected by automatic fire sprinkler systems. “Partial” refers to a building that is not 100% protected.

APARTMENTS: Each University of Michigan owned and operated apartment is equipped with multiple code-compliant hard-wired/battery backup smoke detectors as well as one “ABC” type fire extinguisher.

4. Safety on Campus

CRIMINAL ACTIVITY

Reporting Crime On Campus

University community members, students, faculty, staff and guests are encouraged to report all crimes and public safety-related incidents to police or security in a timely manner. Bystanders or witnesses are encouraged to report when a victim is unable to report.

To report a crime or an emergency, call 9-1-1. The call will be answered by the U-M Division of Public Safety and Security Communications Center (DPSS CC) if on-campus, or for the Ann Arbor Police Department or other appropriate law enforcement agency off-campus. Calls from on-campus blue-light emergency telephones directly access U-M DPSS. Police dispatchers are available at these respective agencies 24 hours a day to answer your calls.

Additionally, you can send an emergency text message about a crime in progress on-campus to 377911 (DPS911). Be sure to indicate the type of crime, time and location of incident, and any information about potential suspects.

If assistance is required from the Ann Arbor Fire Department, Huron Valley Ambulance, the Ann Arbor Police or other law enforcement agency, U-M DPSS CC will contact the appropriate agency. If a sexual assault is reported, staff on the scene, including U-M DPSS, will inform the survivor of a wide variety of services. The Sexual Assault Prevention and Awareness Center (SAPAC) also will be contacted. SAPAC has trained staff who are available to assist a reportee 24 hours a day.

This publication contains information about on-campus and off-campus resources. The information is made available to provide the U-M community with specific information about the resources available in the event that they become victims of crimes. The information about “resources” is not provided to infer that those resources are “reporting entities” for the University of Michigan.

Crimes should be reported to the U-M DPSS to ensure inclusion in the annual crime statistics and to aid in providing timely warning notices to the community, when appropriate.

Information on criminal activity also may be reported anonymously by calling the University’s Anonymous Tip Line at (800) 863-1355. The Ann Arbor Police Department also has a police tipline at (734) 794-6939.

All reports will be investigated. Because police reports are public records under state law, U-M DPSS cannot hold reports of crime in confidence.

For a daily listing of incidents reported to University police and Security, visit www.dpss.umich.edu.

Confidential Reporting

Persons who are victims of a crime and do not want to pursue action within the University system or the criminal justice system still may want to consider making a confidential report. With permission, the UMPD Police Chief or his designee can file a report on the details of the incident without revealing a victim’s identity. The purpose of a confidential report is to comply with the victim’s wish to keep the matter confidential, while taking steps to ensure the future safety of the victim and others. With such information, the University can keep accurate records of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. These reports of crimes can be given to any Campus Security Authority, such as a University Housing staff member; Division of Student Life staff; Athletics coaches; Office of Student Conflict Resolution; University deans, directors and department heads; student judicial affairs; senior human resource directors of Staff HR Services, Academic Human Resources and UMHS HR Staff and Labor Relations; and advisors to recognized student organizations. Reports filed in this manner are counted and disclosed in the annual crime statistics for the institution, however identifying information remains anonymous.

Campus “Professional Counselors” such as Counseling and Psychological Services (CAPS) and Sexual Assault Prevention and Awareness Center (SAPAC) staff, when acting as such, are not considered to be a campus security authority and are not required to report crimes for inclusion into the Annual Security Report. However, as a matter of policy, they are encouraged to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion into the annual crime statistics. A professional counselor is defined as an employee whose official responsibilities include providing psychological counseling to members of the University community and who is functioning within the scope of his or her license or certification or under the supervision of a professional counselor.

Reporting Crime Off Campus

The Division of Student Life maintains contact with recognized fraternity and sorority organizations through the efforts of the Office of Greek Life. Members of the U-M DPSS do not provide law enforcement service to off-campus residences of recognized fraternity and sorority organizations nor are off-campus activities recognized by University authority. Criminal activity at recognized fraternity and sorority residences as well as other off-campus properties should be reported to the Ann Arbor Police Department. The close working relationship between U-M DPSS and the Ann Arbor Police allows staff to record and publish criminal activity near the campus and at non-campus locations housing recognized student organizations as appropriate.

Emergency Blue Light Phones

When the telephone receiver is removed from the cradle or the button is pushed, the U-M DPSS Communications Officer is automatically alerted and an officer is sent to the location of the telephone. No dialing or conversation is required. If possible, however, try to describe the emergency to the Communications Officer. See pages 20-21 for maps indicating Emergency phone locations.
EMERGENCY NOTIFICATION AND RESPONSE

UM Emergency Alert System
UM Emergency Alert is a mass, urgent notification system, comprised of a variety of methods by which the University, without undue delay, can notify students, faculty and staff of an active, major campus emergency:
- Text messages (SMS) to cell phones
- Voice messages to telephones
- Emails
- Website posting (www.umich.edu)
- Twitter feed (@umichdpss)
- Some campus digital signs

When the UM DPSS commanders determine there is a mass, active emergency impacting the public safety of the campus, an urgent notification will be sent through the U-M Emergency Alert system. Initial confirmation by DPSS may occur by observation of a police or security officer, multiple witness telephone calls, alarms activating in the DPSS Communications Center or confirmed report from another emergency responding agency (such as the fire department, ambulance, hazardous materials response team, FBI, County Public Health, etc.).

Examples of activations may include:
- When a person actively shooting a weapon is on the loose
- When a tornado warning is issued for the county
- When a major hazardous material spill is impacting a large portion of campus.
- Police tactical response to a suspected armed person

Localized incidents within a building (such as a small fire, hazardous material spill in a lab or non-confirmed bomb threat) probably won’t require a mass notification.

The message content will contain pre-scripted brief messages or tailored content developed in consultation with the U-M DPSS Commander. The message will be sent by the DPSS Communications Center or division personnel. This information will be shared to help the public take action for their safety. Follow-up information, including an “all-clear” message, will be disseminated as appropriate.

As a large multi-campus system, we require more than a single mode of notification in an emergency. UM Emergency Alert will add to the array of communication methods used during campus emergencies, such as crime alerts, regular campus emails and local news media outlets.

In order to receive these urgent notification alert messages, faculty, staff and students may register (via Wolverine Access) telephone or cell phone numbers and a device to receive text messages. Additionally, the University automatically will register all faculty, staff and student umich email addresses.

Timely Warnings
When a crime is reported to law enforcement or a Campus Security Authority, either on or off campus, that in the judgement of the commanders of U-M DPSS constitutes an ongoing or continuing threat to the University community, a campus-wide “Crime Alert” will be issued to serve as a timely warning and to aid in the prevention of similar crimes. The UMPD Chief or designee and Public Information Officer will develop the content of the warning. Victim’s names will never be disclosed in the alerts or to media.

A copy of the crime alert will be posted on the DPSS website (www.dpss.umich.edu) and emailed to all students, faculty and staff. Fliers will be posted in each residence hall and are available to schools, colleges and departments at the University for posting. The DPSS website is accessible via computer by all faculty, staff and students as well as the public. Anyone with information warranting a timely warning should report the circumstances to DPSS by telephone (734) 763-1131 or in person at the Campus Safety Services Building at 1239 Kipke Dr., east of Crisler Arena.

Other Communication Methods
In addition to the UM Emergency Alert system and crime alerts, DPSS may employ a variety of communication methods to inform building occupants or a larger portion of campus about imminent safety threats. Communication methods will be employed based on a number of factors that will be evaluated for each incident, such as the nature and extent of the threat, the technology available in that building or area, the time of day, etc. Other communication methods may include use of the city’s outdoor warning sirens, public address systems, fire alarm systems, digital signage, handheld or vehicle-mounted bullhorns, portable radios, mass media, door-to-door notification and social networking sites. Usually a summary of an incident will be posted on the DPSS website as well (www.dpss.umich.edu).

Emergency Operations Plan
Emergency procedures are posted on the DPSS Emergency Management website at www.dpss.umich.edu/emergency-management/. Flipcharts containing these procedures are posted in laboratories. Posters with basic instructions also are posted in classrooms, employee lounges, hallways and other high traffic areas around campus. Building-specific evacuation maps are posted in strategic locations in all occupied campus buildings.

Students, faculty and staff with questions about emergency procedures in their building should check with their facility manager or contact DPSS Emergency Management at (734) 763-8391

Emergency preparedness plans are exercised at minimum each year. These exercises could be tabletop exercises, scenario response or fire drills. A list of drills and exercises conducted in 2013 can be viewed at www.dpss.umich.edu/emergency-management/

A minimum of one fire drill per academic year is conducted in each residence hall. The UM Emergency Alert system is tested once each semester. Additionally, emergency response training presentations by DPSS and Emergency Management staff are available for staff and faculty meetings.
Missing Student Notification protocol
During student move-in, on-campus residents are required to fill out their emergency information cards. These cards also provide residents with the ability to provide a confidential contact (a person to be called if they are believed to be missing). The information on the card also informs the residents that if they are under the age of 18 and are missing, police will contact their parent or legal guardian, unless they are deemed an emancipated minor. The information is maintained at the building level and available to professional Housing staff and police, for purposes of pursuing a missing persons investigation.

If someone has concern that a student resident is missing, this concern should be reported to a University Housing professional staff member. Housing Security in collaboration with Residence Education and other Housing partners will conduct a preliminary investigation in order to verify the situation, and will obtain information around circumstances that relate to the student in question. If preliminary investigations are unsuccessful in locating the student and/or show cause for concern, Housing Security immediately will engage the U-M Police Department for assistance and formal reporting. UMPD will make notification to the confidential contact designated by the student, if the student is deemed missing through investigative efforts. That contact will be made within 24 hours of that determination.

HATE CRIME
The information in this section was obtained from the U.S. Department of Justice. A hate crime, generally, refers to a crime committed not out of animosity toward a victim as an individual, but out of hostility toward the group to which the victim belongs. Hate crime is the violence of intolerance and bigotry, intended to hurt and intimidate someone because of their race, ethnicity, national origin, religion, sexual orientation, gender identity, or disability. The purveyors of hate use explosives, arson, weapons, vandalism, physical violence, and verbal threats of violence to instill fear in their victims, leaving them vulnerable to more attacks and feeling alienated, helpless, suspicious and fearful. Others may become frustrated and angry if they believe the local government and other groups in the community will not protect them. When perpetrators of hate are not prosecuted as criminals and their acts not publicly condemned, their crimes can weaken even communities with the healthiest race relations.

Of all crimes, hate crimes are most likely to create or exacerbate tensions, which can trigger larger community-wide racial conflict, civil disturbances, and even riots. Hate crimes put cities and towns at risk of serious social and economic consequences. The immediate costs of racial conflicts and civil disturbances are police, fire, and medical personnel overtime, injury or death, business and residential property loss, and damage to vehicles and equipment. Long-term recovery is hindered by a decline in property values, which results in lower tax revenues, scarcity of funds for rebuilding, and increased insurance rates. Businesses and residents abandon these neighborhoods, leaving empty buildings to attract crime, and the quality of schools declines due to the loss of tax revenue. A municipality may have no choice but to cut services or raise taxes or leave the area in its post-riot condition until market forces of supply and demand rebuild the area.

Reporting Bias Incidents
The University of Michigan is committed to the success of all our students, staff and faculty. By working to create an environment that values and celebrates our diverse community and fosters respect for every individual, you can help ensure that all persons can perform up to their full potential.

If you witness or experience conduct that discriminates, stereotypes, excludes, harasses or harms anyone in our community based on their identity (such as race, color, ethnicity, national origin, sex, gender identity or expression, sexual orientation, disability, age or religion) please report it to the University by calling (734) 615-BIAS (2427) or online at www.unrespect.umich.edu.

If you believe you have experienced a hate crime, you may report it directly to the U-M DPSS (on-campus) at (734) 763-1131 or the Ann Arbor Police (off-campus) at (734) 794-6911.

If you are not sure you have experienced a hate crime and would like to discuss the incident, please call (734) 615-BIAS (2427).

INDECENT EXPOSURE
Indecent exposure is a form of sexual exploitation and is a serious offense. Often the assailant is someone who perpetrators repeatedly in the same location.

RISK REDUCTION TECHNIQUES

Indecent Exposure
- If you witness this type of behavior, yell loudly to alert others around you and run away if you are fearful of attack.
- Call 9-1-1 for police assistance, or use an emergency blue light phone.
- Call SAPAC (734) 936-3333 for support and assistance.

INTIMATE PARTNER VIOLENCE
Intimate partner violence is a pattern of coercive control that one person exercises over another. Perpetrators use physical and sexual violence, threats, emotional and psychological abuse, among other tactics, to control their partners and get their way. People who are living together, having sex, or dating can be in violent relationships, not just people who are married.

RISK REDUCTION TECHNIQUES

- It is never okay to abuse your partner.
- Call 911 for emergency police assistance. When the police arrive, you have the right to request to speak with an officer privately.
- For confidential advocacy and support, call SAPAC at (734) 936-3333 or SafeHouse Center at (734) 995-5444
- Support your friends. Intervene if you see them treating someone disrespectfully or abusively.
- Make a safety plan. SAPAC or SafeHouse Center can help you consider all of your available options, including obtaining a personal protection order.
- Seek medical help if needed. Medical records may document important evidence.
- Consider seeking support from trusted family and friends.
- Visit U-M’s Abuse Hurts Initiative website at www.stopabuse.umich.edu for comprehensive information on assistance available for survivors of domestic violence in the U-M community.
- Refer to the “Recommended Actions For Supporters of Survivors Following an Assault” (pg 16) for general information on supporting survivors of intimate partner violence.
MEDICAL EMERGENCIES

Call 9-1-1 for emergency response. Emergency health care providers on campus include the following:

Providers

U-M Health System Emergency Room
1500 East Medical Center Drive
(734) 936-6666
www.med.umich.edu/em/
UMHS ER provides emergency care 24 hours/day, 7 days/week. It is a nationally recognized trauma center, equipped to deal with all urgent and emergency problems for persons of all ages.

U-M Psychiatric Emergency Service
1500 East Medical Center Drive
(734) 996-4747
www.med.umich.edu/psych
U-M Psychiatric ER provides psychiatric emergency care 24 hours/day, 7 days/week, including emergency walk-in consultation and phone service for persons of all ages.

University Health Service (UHS)
207 Fletcher Street
Ann Arbor, MI 48109-1050
(734) 764-8320 General Information, appointments and advice
(866) 204-1082 After-hours advice (for urgent concerns)
www.uhs.umich.edu
UHS is a comprehensive health and wellness resource, all in one building on central campus. UHS can handle minor emergencies but is not equipped to handle major medical emergencies. Nurse advice is available, day or night, which may prevent a trip to UHS or the ER. UHS provides wellness services.

For more information on UHS, see page 36.

Handling Alcohol Emergencies

A potentially dangerous situation exists whenever an individual consumes too much alcohol. A high blood alcohol concentration can result in mental confusion, unpredictable behavior, unconsciousness or death. The degree of danger depends on the person’s size, what and how much the person drank, over what time period, if the person took drugs besides alcohol, and other circumstances.

WHAT TO DO IN AN ALCOHOL EMERGENCY:

• Don’t assume a person will sleep it off! People may pass out before all the alcohol or other drugs reach the brain. The heart and lungs can slow to the point of stopping.
• Stay with the person. Turn and keep the person on his/her side to prevent choking on vomit.
• Call 911 immediately if the person:
  ○ Does not respond when you shake or shout
  ○ Has pale, bluish-gray, cold or clammy skin
  ○ Has slow, irregular or shallow breathing (less than 8 breaths per minute)
  ○ Used alcohol with other drugs (especially other depressants like opiates or benzodiazepine)

Medical Amnesty: to better ensure that minors at medical risk as a result of alcohol intoxication will receive prompt, appropriate medical attention, the medical amnesty law removes perceived barriers to seeking help. A minor will be exempt from prosecution if, after consuming alcohol, he/she voluntarily presents him/herself or initiates contact with law enforcement or medical services for the purpose of obtaining medical assistance for a legitimate health care concern.

For more information on alcohol and other drugs: www.uhs.umich.edu/aod

Handling Hazardous Material Emergencies

Chemical, Radioactive, and Biohazard Materials

The most important thing you can do to help in a hazardous material emergency is be prepared. As part of your routine operation, you should know the hazards associated with the materials that you work with and what immediate steps to take if you or a co-worker are exposed. You also should know the locations of fire extinguishers, first aid kits, emergency eye wash stations and showers.

The most important thing to do in an emergency is call 9-1-1 as soon as possible and provide the dispatcher with as much information as you can.

• Exact location of the incident and its surroundings (i.e., storm drains).
• Name of the material spilled and the amount.
• Report any injuries.
• Report any noticeable release into the environment.
• Provide a safe location where you can meet with emergency crews.

For small spills in your work area, perform cleanup if:

• You have received appropriate training for the materials involved.
• You have access to the necessary personal protective equipment.
• You have access to the necessary equipment to clean up the materials.

If you have been contaminated, remain at your location if it is safe to do so. Minimize your movement to avoid spreading contamination.

For additional information consult U-M’s Hazardous Materials Management group in Occupational Safety and Environmental Health at (734) 763-4568. By being prepared and knowing what actions to take in an emergency, you can make your work area a safer place!
PROPERTY SAFETY

Laptop Computer & Bicycle Registration
Laptops, other portable electronic devices and bicycles are easy targets for theft. In addition to the cost of replacement, they often have personal information and intellectual property that can be difficult or impossible to recover and protect. The University of Michigan Division of Public Safety and Security offers a free Laptop, Personal Electronic, and Bicycle Registration Program to members of the campus community to deter theft and avoid the consequences or assist in the recovery of stolen property.

Once you register your information, you’ll receive two stickers to place on your property. These stickers will help serve as a theft deterrent. Additionally, if your property is found or recovered, the registration record will help police return your property to you. The program is intended for the University community. Visit the U-M DPSS website (www.dpss.umich.edu) for more details.

SEXUAL ASSAULT

Sexual assault is any form of unwanted sexual contact obtained without consent and/or obtained through the use of force, threat of force, intimidation, or coercion. On college campuses, perpetrators of sexual assault or other forms of sexual violence most frequently assault those they know. Alcohol is the most common tool used by perpetrators of sexual violence.

Recommended Actions for Survivors Following an Assault
• Remember you are not to blame for what happened to you, no matter what the circumstances were.
• Know your options. Call an advocate on SAPAC’s 24 hr. crisis line at (734) 936-3333 for immediate support and/or to discuss medical and reporting options.
• Request a medical examination at the U-M Hospital Emergency Department or your local hospital emergency room. This exam will be provided to you at no cost.
• Consider reporting the assault to the police department in the jurisdiction where the event took place.
• Tell someone you trust. Sexual assaults are an enormous burden to bear alone. Talking to a supportive friend or family member often can be helpful. SAPAC staff also is available 24 hours a day, 7 days a week to speak with you and provide you with support. SAPAC can help you navigate the academic, legal, medical, and housing resources available to you as a University of Michigan community member.

Recommended Actions for Supporters of Survivors Following an Assault
• Let the survivor know right away if you have any mandated responsibility to report the crime so they can make informed decisions about whether and how much information to share with you.
• Listen to what the survivor is telling you without interruption. Allow the survivor to lead the conversation and share as little or as much as they choose.
• Believe that the survivor is telling you what they feel happened. Refrain from asking questions that focus on the survivor’s actions, choices, appearance, prior experience, etc. since the assault was the choice of the perpetrator and not the survivor.
• Support the survivor in whatever way is requested, to the degree you are able. Respect the decisions that the survivor makes, even if you don’t agree with them. Do not take it personally if the survivor does not want your help.
• Refer and connect the survivor to trained professionals for comprehensive crisis intervention, advocacy, and support. At the U-M, SAPAC advocates are the campus experts on responding to survivors of sexual assault.

Stalking
Stalking is a crime. Stalking is defined as any unwanted contact between a stalker and their target which directly or indirectly communicates a threat or places the victim in fear. Some stalking behaviors include: following a person; repeated and unwanted phone calls; making repeated and unwanted contact by e-mail or on social media sites like Facebook; or leaving gifts for their targets. Stalking is not flattery – it is a stalker’s attempt to control and exert power over their victims.

RISK REDUCTION TECHNIQUES

Stalking
• It is never okay to contact others against their wishes or otherwise engage in stalking behavior.
• Take stalking behavior seriously.
• Support your friends. Intervene if you see them engaging in stalking behavior.
• Contact SAPAC for assistance in creating a safety plan and to learn about your options for reporting the crime and other options, including obtaining a personal protection order. An advocate is available 24 hrs. a day, 7 days a week by calling the crisis line at (734) 936-3333.
• Document all contact or stalking activity in a log. Include time, date, location, and details on what happened.
• Be mindful of where your personal information may be publicly available. Consider removing or shielding your private information on social media sites like Facebook and on the University of Michigan online directory.
• Do not meet, respond to, or contact your stalker in any way — including through other people.
• Let others know about the stalking behavior.
• Refer to the “Recommended Actions for Supporters of Survivors Following An Assault” for general information on supporting survivors of stalking.
Sexual Assault Prevention and Education

The University of Michigan provides comprehensive prevention and awareness education to all incoming students, staff and faculty on domestic violence, dating violence, sexual assault and stalking. These primary prevention programs include bystander education information, information on consent, applicable state and local laws and campus policies, and risk reduction strategies for individuals and communities.

Prior to arrival on campus, students complete Community Matters, an online educational requirement for all incoming undergraduate students that addresses alcohol and sexual assault issues, dating violence, domestic violence and stalking. For more information on this program, visit http://studentlife.umich.edu/communitymatters/course.html

First-year undergraduate students also receive a peer-delivered, interactive primary sexual violence prevention workshop in the first semester on campus. This workshop is designed to promote healthy relationships and building students' skills in communicating about interests, needs, and desires in sexual or intimate relationships. Additionally incoming first year students receive a bystander education program in their first semester that reinforces bystander intervention skills introduced in their online educational course.

Incoming faculty, staff, and graduate and professional students complete an online educational course that includes:

- primary prevention information addressing sexual assault, dating violence, domestic violence, and stalking
- bystander intervention education
- sexual harassment information, including workplace harassment
- definition of consent for University of Michigan and relevant information on consent in the state of Michigan
- State law pertaining to dating and domestic violence, sexual assault, and stalking
- information on risk reduction
- information on resources available on campus to address these issues
- information on campus expectations and values

Ongoing Education and Awareness Programs

Throughout the year, SAPAC’s professional staff provide professional training and educational programming to faculty, professional staff, and student staff on a variety of issues related to sexual assault, intimate partner violence, sexual harassment, and stalking. SAPAC’s student volunteer groups and SAPAC professional staff deliver a wide range of educational programming and skills-training workshops for the entire campus community. Programming available include: bystander intervention training, sexual assault response training, men’s only programming, workshops for athletic teams, workshops for Greek organizations, ally training, and many others. For more information or to request a workshop, please visit https://sapac.umich.edu

University of Michigan Wolverine Wellness program, Sexperteam, offers programs, training and primary prevention workshops to University of Michigan students on healthy sexuality and healthy relationships.

The Office for Institutional Equity provides ongoing training and education to University of Michigan faculty, professional staff and student staff on issues related to sexual misconduct and stalking, and staff reporting responsibilities.

The Abuse Hurts Initiative provides training on dating violence, domestic violence and stalking to faculty and staff members at University of Michigan. The program also distributes campuswide promotional materials such as posters, bus signs, and wallet cards that provide information on institutional resources for support and assistance. The Abuse Hurts Initiative also supports speakers and educational programming to inform the campus community on issues related to sexual assault, intimate partner violence, and stalking. For more information, please visit http://hr.umich.edu/stopabuse/

TRANSPORTATION OPTIONS

For updated campus transportation information, visit www.pts.umich.edu

University Buses

University buses, in general, run seven days per week year round, except for six official holidays. Specific routes may vary by day and time of year. Visit www.pts.umich.edu for specific routes and schedules.

SafeRide

SafeRide is a free late-night service that transports students, faculty, and staff to their residence or vehicle in their off-campus neighborhood. Riders may use this service once per evening and must present a valid U-M ID.

Upon calling SafeRide, users will be presented with two ride options based on their pick-up location and time:
1. From any U-M building between 10pm and 2am (fall and winter semesters only).
2. From Shapiro Undergraduate Library, the Duderstadt Center, or the Cancer Center between 2am and 7am.

To request a ride, call (734) 647-8000.

Night Ride

Night Ride is a $5 shared-ride taxi service within the city of Ann Arbor. This program runs from 11:00 p.m. to 6:00 a.m. Monday through Friday and from 7:00 p.m. to 7:30 a.m. Saturday and Sunday. $2 surcharges are added to trips that begin or end outside Ann Arbor without an advance reservation.

To request a ride, call the SafeRide number (734) 647-8000 and select menu option three.

Emergency Ride Home

Free taxi rides can be provided in emergency situations for faculty, staff and students to return to their vehicle parked in remote lots or to any location (home, school, daycare provider, etc.). The service is available 24 hours a day, 7 days a week. Use of the program is limited to six times per permit year.

To request a ride, call the U-M DPSS at (734) 763-1131.

State Street Ride

Free after-hours taxi service from any U-M building to the South State Street Commuter (Park & Ride) lot after buses have concluded daily service. This service is available Monday through Friday from 10:00 p.m. to 6:00 a.m.

To request a ride, call Blue Cab directly at (734) 547-2222.

Paratransit

Scheduled door-to-door service for students, faculty and staff with disabilities. To register for the rides, contact Services for Students with Disabilities at (734) 763-3000.
WORKPLACE VIOLENCE AND THREATS

The University is committed to maintaining an environment that is safe and free from violence and will not tolerate violent and threatening behavior. All University community members share this responsibility and are expected to maintain a safe and secure climate through behavior that does not involve acts of violence, threats or aggression as outlined in the U-M Standard Practice Guide (spg.umich.edu/policy/601.18).

Acts of violence and aggression include verbal or physical actions that create fear or apprehension of bodily harm or threaten the safety of a supervisor, co-worker, faculty member, student, patient, member of the general public or the University community at large. Examples of such behavior include on or off duty or off premises acts that adversely affect the University:

- Any act which is physically assaulting
- Behavior or actions that would be interpreted by a reasonable person as carrying a potential for violence and/or acts of aggression
- Any act that threatens harm to another person or damage to property
- Domestic violence
- Stalking (including electronic stalking)

Acts of violence cannot be predicted with absolute certainty, although we can minimize the risk to everyone when behaviors that are observed are reported to appropriate authorities. Often threats or acts of aggression escalate to a level of violence when there is poor communication with a person and that person cannot cope under the stress of confrontation.

When interacting with a potentially aggressive or violent person, be aware of your reactions, report all behaviors to others, and follow these suggested guidelines:

- Remain calm, speak in a low voice... don’t argue or agree with distortions.
- Let them know of consequences...“I’ll call the police if you don’t sit down and stop yelling... I can’t help you if you don’t calm down.”
- Avoid invasion of “personal space;” keep a safe distance of 3-6 feet.
- Treat people with respect regardless of their behavior and avoid being judgmental.
- Do not make promises that you cannot fulfill.
- If the person has an appeal to a higher authority, then so inform them.
- Report all behaviors to appropriate authorities or UMPD at “9-1-1.”

If the behavior reaches the point of violence then:

- Remain calm. Dealing with the person calmly and confidently will help reduce further communication problems.
- Call “9-1-1.” If you cannot call yourself, have someone else call for you.
- Do not try to physically force a person to leave. Do not touch the person.
- If violent behavior is occurring, escape, hide if not already seen, or cover up.
- Position yourself, if possible, so that an exit route is readily accessible.
- Never attempt to disarm or accept a weapon from the person in question.
- Don’t argue, threaten, or block their exit.

Any member of the University community, contractor, or visitor can report a violation and seek assistance. In addition, employees in positions of authority (including deans, directors, chairs, supervisors, faculty, graduate student instructors, coaches or others who oversee employees or students) have an obligation to contact the appropriate resources if they see or are informed of violence or threats of violence. Resources include:

- The U-M Division of Public Safety and Security provides consultation and preventive services as well as an immediate law enforcement response.
- The Office of Student Conflict Resolution (OSCR) addresses violence or threats of violence perpetrated by students. Members of the University community, contractors and visitors concerned about such violence should contact OSCR and/or the appropriate dean or department chair.
- Academic and Staff HR Services addresses violence or threats of violence that involves a faculty or staff member. Members of the University community, contractors and visitors concerned about such violence should report to the appropriate manager and/or to Academic and Staff HR Services. Supervisors receiving such reports should contact Academic and Staff HR Services.

Seeking Confidential Counseling

Faculty and staff may contact the Faculty and Staff Assistance Program (FASAP) for any personal concerns related to violence or aggressive behavior.

Faculty, staff and students may contact the Sexual Assault and Prevention Awareness Program (SAPAC) in cases of sexual assault, domestic violence or stalking.

Students may seek services from Student Affairs Counseling and Psychological Services (CAPS).
Safety and Risk Reduction Techniques

The following prevention tips are offered to help insure personal safety and the safety of one’s belongings.

AUTOMATED TELLER MACHINE (ATM) SAFETY

ATMs are conveniently located all around Ann Arbor and some areas of the campus. While the convenience of these machines cannot be denied, you are under a certain amount of risk when using one. Thefts do occur, usually late at night and in badly lit areas. You can help to protect yourself and your property by following these easy tips:

• Choose a well-lit ATM and have someone with you when using the machine at night.
• Be ready. Have your card handy, but not necessarily in plain view.
• Stand directly in front of the machine so that no one can see you enter your Personal Identification Number (PIN).
• Cancel your transaction and return later if anything seems suspicious.
• Pocket your cash immediately and count it later.
• If you lose your ATM card, report it immediately to your financial institution.

BICYCLE SAFETY

For many, bicycling is a sport and the preferred mode of travel on and around campus. To cycle safely, remember to:

• Ride with the traffic or use bike paths whenever possible.
• Follow same driving laws as motor vehicles.
• Use reflectors, reflective tape, or other similar devices on bikes or on your clothing.

Bicycles are attractive targets for thieves and vandals. The following simple but effective tips can make your bike a less attractive target for crime:

• Lock it up: Use a heavy-duty bike lock (a U-bar lock is recommended).
• Lock your bike to a bike rack, preferably in a public place.

For your own personal use, record the identifying characteristics and the serial number of your bike, and keep the information in a safe place. Register your bicycle with the U-M DPSS (www.dpss.umich.edu).

Always lock your bike, even if you are leaving it just a minute. If your bike is stolen or vandalized, report the incident promptly to the U-M DPSS.

COMPUTER AND IDENTITY INFORMATION SAFETY

Protect your computer and mobile devices:

• Register your laptop with the U-M DPSS (www.dpss.umich.edu) to deter theft and assist in tracking lost or stolen units.
• Use a password or PIN to lock portable devices, and never leave them unattended. They are very easy to steal.

Protect yourself and your information online:

• Use up-to-date anti-virus and anti-spyware software available at no cost to the U-M community at www.safecomputing.umich.edu/antivirus.
• Use passwords wisely:
  ▪ Never use your UMich Kerberos password (the one you use for Wolverine Access) for non-U-M accounts.
  ▪ Use a different strong password for each online account.
  ▪ Never share your password with others.
  ▪ Never use another person’s password.
• Be wary of peer-to-peer file sharing, which can open your computer to infection. It also can make you vulnerable to costly legal problems. Find out more at www.safecomputing.umich.edu/copyright.
• Never respond to an e-mail request for private personal information such as your social security number, password, or credit card number; no legitimate company will request information in this way.
• Lock your screen or log out before you walk away from any publicly accessible computer.
• Call the U-M DPSS at (734) 763-1131 immediately if you receive a threatening e-mail.

For more tips and information, see www.safecomputing.umich.edu

DRIVING AND VEHICLE SAFETY

Effective safety tips include:

• Have your keys in hand before you reach your vehicle.
• Check the interior of your vehicle before entering it.
• If you have a flat tire in a questionable area, drive on it until you reach a safe, well-lit area.
• When parking your vehicle at night, select a spot that is well lit.
• Make a habit of keeping car doors locked.

FIRE SAFETY

Your worst enemy during a fire is smoke. If you are caught in smoke, get down on the floor and crawl to safety. Close doors behind you as you escape, and use stairs, NEVER elevators. Simple fire safety tips to follow are:

• Make sure there is a working smoke detector near your sleeping quarters.
• Learn the location of fire exits and alarm boxes near you.
• Sound the fire alarm if you see smoke or detect a burning odor.
• Do not re-enter a building until it has been declared safe for re-entry.

HOME SAFETY

University Residence Halls:

• Make a habit of keeping your doors locked. Lock your room door when sleeping, when leaving a roommate asleep inside, and when leaving your room.
• Do not leave valuables in open view. Take valuables home during vacation.
• Never prop open doors to residence halls.
• Do not allow door to door salespeople to enter your room. Report them to the U-M DPSS.
• Require identification and authorization from maintenance staff requesting access to your room.
• Report to the residence hall staff all doors, locks, and windows that are in need of repair.
• Be suspicious of unknown persons loitering or checking doors in your hall and call the U-M DPSS to report them.

CONTINUED ON PAGE 22
HOME SAFETY (CONTINUED)

- Backpacks, purses, book bags, etc., should never be left unattended.

If you live in the City of Ann Arbor:

- The Ann Arbor Police Department provides Operation Identification. This program allows residents to borrow an engraving tool to mark their valuables.
- The Ann Arbor Police Department coordinates a Neighborhood Watch Program which encompasses the entire city of Ann Arbor. It is recommended that residents know the name of their neighborhood Block Captain.

OBSCENE PHONE CALLS

- Make a police report. Traps can be put on your phone after a police report has been made.
- Change your phone number.
- If they leave an obscene message on your phone answering machine, save the tape so the police can make a copy.
- Tell the caller that the police have been notified and that a tracer is on your phone.

OFFICE, CLASS-ROOM, OR LABORATORY SAFETY

- Avoid working or studying alone in a building at night. If you must work late, let somebody you trust know where you are and when you will be done.
- Avoid using stairs in remote sections of a building.
- Keep your purse in a locked cabinet or drawer. Never leave it in, on top of, or underneath a desk.
- While in class, the library, or the lab, keep personal belongings in view.

OUTDOOR SAFETY

- Learn the locations of all campus blue light emergency phones.
- Take advantage of nighttime transportation services — see page 17.
- Walk on designated walkways that are well lit and well traveled.
- Walk confidently and assertively. Be alert and aware of your surroundings.
- Purses should be carried close to the body and secured under one arm. Backpacks should be carried over one shoulder and secured with one arm.
- Do not run or jog alone, especially at night.
- Do not ever hitchhike.
- Avoid shortcuts through parks, vacant lots, and other deserted places.
- If you are followed by someone in a car, turn around and walk in the opposite direction.

SUSPICIOUS ACTIVITY

Since safety is everyone’s responsibility, it is important for people to be aware of types of behavior and actions which may signal criminal activities. In the University setting, these may include:

- A person who seems to be wandering in the hallways or lurking about the building.
- Any unusual or suspicious noise that you can’t explain, such as breaking glass or pounding.
- Vehicles moving slowly without lights or to no apparent destination.
- A stranger sitting in a vehicle for an extended period of time for no apparent reason.
- A person hanging around residence hall windows or parking lots.
- Persons removing property from a building late at night.

Remember, if you are in doubt, contact the police. They will be able to assist you in determining whether or not there is cause for alarm and if it is necessary to respond.

The U-M DPSS staff suggest the following approach to reporting suspicious activity on campus. A copy of this information, available in a pamphlet entitled “What is Suspicious?” can be obtained from the U-M DPSS.

- Remain calm. Keep away from the suspicious person(s) or activity. Call 9-1-1 or pick up a campus blue light emergency phone or a carport phone.
- Tell the police whether the crime is in progress or has already been committed. If you see a crime in progress, report it IMMEDIATELY.

CRIME PREVENTION

If you have any questions regarding campus safety or crime prevention, please call the U-M DPSS at (734) 763-8391.
**UNIVERSITY POLICIES**

**Student Sexual Misconduct Policy**

In 2013, the University approved and implemented a new Student Sexual Misconduct Policy and reporting mechanism. The Policy includes process, expectations and rights, and many resources for addressing perceived sexual misconduct. The Policy also encourages anyone who believes they have been sexually assaulted to contact UMPD or if off-campus, contact local law enforcement.

Visit www.studentsexualmisconductpolicy.umich.edu to view the policy and resources or to file a report.

**Overview**

The University of Michigan (University or U-M) values civility, dignity, diversity, education, equality, freedom, honesty, and safety, as described in the Statement of Student Rights and Responsibilities, and is firmly committed to maintaining a campus environment free from sexual harassment, and sexual assault, collectively referred to in this policy as sexual misconduct.

Sexual misconduct jeopardizes the mental, physical, and emotional welfare of our students, as well as the safety of our community. Sexual misconduct diminishes students' individual dignity and impedes their access to educational, social, and employment opportunities. It can permanently impact students' lives and may cause lasting physical and psychological harm. Sexual misconduct violates our institutional values and its presence in the community presents a barrier to fulfilling the University's scholarly, research, educational, patient care, and service missions. Sexual misconduct, therefore, will not be tolerated at the University of Michigan and is expressly prohibited.

This policy provides information regarding the University's prevention and education efforts related to sexual misconduct by students, as well as how the University will proceed once it is made aware of student sexual misconduct in keeping with our institutional values and to meet our legal obligations under Title IX and other relevant law.

**Policy Summary**

**Respect**

This policy applies to all students and all students engaging this policy can expect to be treated with respect as the University seeks to provide an appropriate, private, timely and fair response to reports of sexual misconduct by students. Retaliation will not be tolerated. For more information about student rights, go to the Student Expectations and Rights section of this policy.

**Report**

The University strongly encourages the reporting of sexual misconduct. The University will respond to any report of sexual misconduct made to a non-confidential University employee. All reports to non-confidential employees will be reported to the U-M Title IX Coordinator in the Office for Institutional Equity. To access confidential assistance, students may contact a confidential reporting location. The University strongly encourages anyone who believes they experienced a sexual assault (or any other crime) to make a report to the University of Michigan Police Department.

**Respond**

The University will respond to reports of student sexual misconduct with support and resources and proceed in a way that seeks to honor the rights of the students affected by the report. To this end, if a Complainant requests confidentiality and/or decides not to participate in the response process, the University will consider this request and proceed in a way that takes into account the safety and wellness of the community (including that of the Complainant). For more information, go to the Decision to Proceed with Investigation section of this policy.

**Review**

A report of sexual misconduct will be reviewed, and if deemed appropriate, investigated by the Title IX Coordinator or designee. In the interest of privacy, investigations will not involve a hearing or require that participants meet together. If the evidence supports (based on “a more likely than not” standard) a finding of responsibility, the matter will proceed to the sanctioning process. Sanctions will be determined either by agreement (with input from all parties) or by a Resolution Officer (if parties are not in agreement regarding the appropriate sanctions). Either party may appeal the outcome of the matter based on the specific grounds outlined in this policy. For more information, go to the Review of the Decision section of this policy.

**Policy Content**

The policy, which can be viewed at the website listed above, includes the following sections:

- Building a Safe and Just Educational Environment Free from Sexual Misconduct
- Policy Coverage
- Reporting Sexual Misconduct
- The University’s Response Procedure
- Sanctioning
- Review of the Decision
- Informal Resolution Options
- Student Expectations and Rights
- Definitions
- Related Information
- Offices and Roles
- Annual Reporting

**Reports to Law Enforcement**

The University also encourages anyone who believes they experienced a sexual assault (or any other crime) to make a report to the University of Michigan Police Department (UMPD), if the assault occurred on campus, or to local law enforcement, for assaults occurring off campus. Collection and preservation of
The University will provide statistics of reported sexual assaults. No one associated with the University may retaliate, intimidate, threaten, coerce or otherwise discriminate against anyone for exercising his/her rights or responsibilities under this process. The University will provide written notification to survivors. Student survivors may choose to change University housing. Survivors may report sexual assaults to the U-M Police. The University's written determination will be provided to the participating Complainant and Respondent, or to the next of kin, if the Complainant has died. Sanctions or interventions can range from formal reprimand to expulsion. A complete list can be found on the policy website.

In addition, upon being notified of a potential sexual assault or other form of sexual misconduct that may also constitute a crime, the Title IX Coordinator will notify U-M DPSS to ensure appropriate distribution of University-wide warnings, if needed, and maintenance of accurate statistics.

Policy highlights
An array of action steps, resources and noteworthy highlights of the policy include:

- Survivors may report sexual assaults to the U-M Police Department (911 or use the emergency "blue light" phones on campus grounds), to the Ann Arbor Police or other local law enforcement for incidents that occurred off-campus, to the Sexual Assault Prevention and Awareness Center ((734) 998-9368 or 936-3333 24-hour Crisis Line), to the Office of the Dean of Students ((734) 764-7420), or to the Office of Student Conduct Resolution ((734) 936-6308). Staff will assist students, if the student requests, in notifying police.
- All University personnel are encouraged to immediately refer sexual assault survivors to the SAPAC Office or Dean of Students.
- Survivors and persons receiving reports of sexual assault are reminded of the importance of preserving evidence that may be necessary to the proof of criminal sexual assault or for use in University disciplinary proceedings or in obtaining a protection order.
- Student survivors may choose to change University housing and academic arrangements, if such changes are reasonably available, without academic penalty, regardless whether a police report is made.
- The University will provide written notification to survivors about options for, and available assistance in, changing academic, living, transportation and working situations.
- The University's written determination will be provided simultaneously to the participating Complainant and Respondent, or to the next of kin, if the Complainant has died. Sanctions or interventions can range from formal reprimand to expulsion. A complete list can be found on the policy website.
- No one associated with the University may retaliate, intimidate, threaten, coerce or otherwise discriminate against anyone for exercising his/her rights or responsibilities under this process.
- The University will provide statistics of reported sexual assaults as required and defined by the Clery Act and the Student Right-to-Know Act.

Sexual Harassment by Faculty or Staff
The University policy against sexual harassment by faculty or staff and the procedures to follow when filing a complaint of such activity may be found in the University's Standard Practice Guide (SPG) 201.89. The complete SPG can be found at www.spg.umich.edu.

University of Michigan Alcohol and Other Drugs (AOD) Policy for Students, Faculty and Staff

Introduction
The University of Michigan-Ann Arbor is committed to providing a safe, healthy learning community for all its members. The University recognizes that the improper and excessive use of alcohol and other drugs may interfere with the University’s mission by negatively affecting the health and safety of students, faculty and staff. Problems such as vandalism, assault, harassment, sexual misconduct, and disruption of sleep and study space increase in relation to misuse. It is due to the harm caused by excessive and illegal use that the University has a vested interest in establishing polices to prohibit unlawful behavior and sanctions to address policy violations by members of the U-M community.

Under the Drug Free Workplace Act and the Drug Free Schools and Communities Act, the University is required to have an alcohol and other drug policy and distribute this policy annually to all employees and students. This policy must outline the University’s prevention, education and intervention efforts, and consequences that may be applied by both the University and external authorities for policy violations. The law also requires that individuals be notified of possible health risks associated with the use and abuse of alcohol and other drugs, and sources of assistance for problems that may arise as a result of use.

U-M Alcohol and Other Drugs Policy
For the purpose of this Policy, the term “drug” includes:
1. controlled substances, as defined in 21 USC 802, which cannot be legally obtained
2. legally obtainable controlled substances which were not legally obtained, including:
   • Prescribed drugs when prescription is no longer valid (e.g. use of medication after a course of treatment is completed);
   • Prescribed drugs used contrary to the prescription;
   • Prescribed drugs issued to another person.

All members of the campus community are governed by laws, regulations and ordinances established by the state and local municipalities, and will be held accountable by law enforcement representatives of those entities for any illegal activity. It is the responsibility of all campus members to be aware of these laws.

Michigan law prohibits the dispensing, selling or supplying of drugs or alcoholic beverages to a person under 21 years old. Employees, students, faculty and campus visitors may not unlawfully manufacture, consume, possess, sell, distribute, transfer or be under the influence of alcohol, illicit drugs or controlled substances on University property, while driving a University vehicle or while otherwise engaged in University business. The only exception to this Policy is that individuals of legal age may consume alcohol on University property in a...
manner consistent with University policy and State of Michigan law. University property, as defined in this Policy, includes all buildings and land owned, leased, or used by the University, and motor vehicles operated by employees, including personal motor vehicles, when used in connection with work performed for or on behalf of the University.

If alcohol is to be served at any event/meeting outside one of the licensed facilities on campus (Michigan League, Michigan Union, Pierpont Commons, Oxford Conference Center, Business Executive Residence), the General Counsel’s frequently asked questions web page should be referenced for proper handling: www.ogc.umich.edu/faq_alcohol.html

Any person taking prescription drugs or over-the-counter medication is personally responsible for ensuring that while taking such drugs or medications, he or she is not a safety risk to themselves and others while on University property, while driving a University or privately owned vehicle, or while otherwise engaged in University business. It is illegal to misuse prescription medication, i.e. continue to use medication when the prescription is no longer valid, use prescribed drugs contrary to the prescription, and give or sell prescribed drugs to another person. Misusing prescription drugs can result in conviction with jail time.

The University of Michigan is a smoke-free campus. Please refer to www.hr.umich.edu/smokefree/ for more information.

3. U-M Alcohol and Other Drug Prevention Strategies
The University of Michigan uses evidenced-based strategic interventions, collaboration, innovation and the incorporation of the wellness dimensions to reduce harmful consequences of alcohol and other drug use.
• Providing education and awareness activities.
• Offering substance-free social, extracurricular, and public service options.
• Creating a health-promoting normative environment.
• Restricting the marketing and promotion of alcohol and other drugs.
• Limiting availability of alcohol and other drugs.
• Developing and enforcing campus policies and enforce laws to address high-risk and illegal alcohol and other drug use.
• Providing early intervention and referral for treatment.

For more detailed information on the U-M alcohol and other drug prevention strategies contact the Director of Wolverine Wellness at (734) 763-1320.

4. Health Risks
The use or abuse of alcohol and other drugs increases the risk for a number of health-related and other medical, behavioral and social problems. Below is a general description of the health risks associated with drug use.

ALCOHOL Can cause short-term effects such as loss of concentration and judgment; slowed reflexes; disorientation leading to higher risk of accidents and problem behavior; long-term effects include risk of liver and heart damage, malnutrition, cancer and other illnesses; can be highly addictive to some persons.

AMPHETAMINES Can cause short-term effects such as rushed, careless behavior and pushing beyond your physical capacity, leading to exhaustion; tolerance increases rapidly; long-term effects include physical and psychological dependence and withdrawal can result in depression and suicide; continued high doses can cause heart problems, infections, malnutrition and death.

CANNABIS Can cause short-term effects such as slow reflexes; increase in forgetfulness; alters judgment of space and distance; aggravate pre-existing heart and/or mental health problems; long-term health effects include permanent damage to lungs, reproductive organs and brain function; can interfere with physical, psychological, social development of young users.

COCAIN (crack) Can cause short-term effects such as impaired judgment; increased breathing, heart rate, heart palpitations; anxiety, restlessness, hostility, paranoia, confusion; long-term effects may include damage to respiratory and immune systems; malnutrition, seizures and loss of brain function; highly addictive.

DESIGNER DRUGS/SYNTHETIC CANNABINOIDS (bath salts, K2, spice) Can cause short-term effects such as elevated heart rate, blood pressure and chest pain; hallucinations, seizures, violent behavior and paranoia; may lead to lack of appetite, vomiting and tremor; long-term use may result in kidney/liver failure, increased risk of suicide and death.

HALUCINOGENS (PCP, LSD, ecstasy, dextromethorphan) Can cause extreme distortions of what’s seen and heard; induces sudden changes in behavior, loss of concentration and memory; increases risk of birth defects in user’s children; overdose can cause psychosis, convulsions, coma and death. Frequent and long-term use can cause permanent loss of mental function.

INHALANTS (nitrous oxide, amyl nitrite, butyl nitrite, chlorohydrocarbons, hydrocarbons) Can cause short-term effects such as nausea, dizziness, fatigue, slurred speech, hallucinations or delusions; may lead to rapid and irregular heart rhythms, heart failure and death; long-term use may result in loss of feeling, hearing and vision; can result in permanent damage to the brain, heart, lungs, liver and kidneys.

OPIATES/NARCOTICS (heroin, morphine, opium, codeine, oxycodone, china white) Can cause physical and psychological dependence; overdose can cause coma, convulsions, respiratory arrest and death; long-term use leads to malnutrition, infection and hepatitis; sharing needles is a leading cause of the spread of HIV and hepatitis; highly addictive, tolerance increases rapidly.

SEDATIVES Can cause reduced reaction time and confusion; overdose can cause coma, respiratory arrest, convulsions and death; withdrawal can be dangerous; in combination with other controlled substances quickly can cause coma and death; long-term use can produce physical and psychological dependence; tolerance can increase rapidly.

TOBACCO (cigarettes, cigars, chewing tobacco) Can cause diseases of the cardiovascular system, in particular smoking being a major risk factor for a myocardial infarction (heart attack), diseases of the respiratory tract such as Chronic Obstructive Pulmonary Disease (COPD) and emphysema, and cancer, particularly lung cancer and cancers of the larynx and mouth; nicotine is highly addictive.

For an extensive list of health-related risks please visit The National Institute on Drug Abuse: www.drugabuse.gov/
5. Counseling and Treatment Programs
The University of Michigan encourages individuals with alcohol- or other drug-related problems to seek assistance.

Emergency Services Faculty, Staff and Students
• U-M Counseling and Psychological Services
  Michigan Union, 3rd floor
  (734) 764-8312
  Offers individual counseling and substance abuse assessments. Free services for enrolled U-M students

• U-M Psychiatric Emergency Services
  Level B1 of the Medical Center, adjacent to the Department of Emergency Medicine
  Crisis Help Hotline (734) 936-5900
  24 hours a day/7 days a week, Fee for service

Non-Emergency Services for Individual Faculty and Staff

• U-M University Health Service, Wolverine Wellness
  207 Fletcher Street
  (734) 763-1320
  • Facilitates the Brief Alcohol Screening and Intervention for College Students (BASICS) and the Individual Marijuana Education Program (IMEP), as educational interventions for students who would like to explore their relationship with alcohol and/or marijuana use (two one-on-one sessions); free to enrolled U-M students.
  • Provides a supportive community where students in recovery can achieve academic success while enjoying a genuine college experience, free from alcohol and other drugs. The U-M Collegiate Recovery Program recovery support includes: emotional support, educational support, social support and campus resource navigation.

Non-Emergency Services for Individual Students
• U-M University Health Service, Wolverine Wellness
  207 Fletcher Street
  (734) 763-1320
  • Provides complete and easily accessible quit smoking / quit chewing tobacco programs open to all U-M employees, patients, and the general public. Group and individual programs are available.

• U-M Employee Assistance Program
  1500 E. Medical Center Drive
  (734) 763-5409
  • Brief confidential counseling and consultation service for UMHS Faculty, Staff, and their families.
  • Serve as an early intervention resource when work, health, and life related issues arise.
  • Offer 24-hour availability for consultation and intervention on issues relating to substance use disorders, both for leaders with questions on how to handle workplace situations, as well as for faculty and staff who want assistance, assessment, referral, and post-treatment monitoring.

• UM Addiction Treatment Services (UMATS)
  Rachel Upjohn Building 4250, Plymouth Rd., Ann Arbor, MI
  (734) 232-0600 or (800) 828-8020
  Provides assessment and treatment services.

6. U-M AOD Policy and Student Organizations
The University of Michigan expects each student organization to adopt a policy about the use of alcohol and other drugs that is consistent with this Policy; complies with federal, state and local laws; minimizes criminal and civil liability to the organization and its members; and helps assure the personal safety and welfare of members and guests. Student Life provides resources and references to assist student organizations with drafting policies and managing membership. Contact the Center for Campus Involvement for assistance or more information:

Center for Campus Involvement
2205 Michigan Union, 2nd floor (734) 763-5900

The following guidelines are recommended:
I. It is illegal for student organizations to sell alcohol in the state of Michigan. Student organizations can significantly improve personal safety and reduce liability by not providing alcohol to any person.

II. If alcohol is to be present at an organization-sponsored activity, the organization can provide for the safety of its members and reduce its liability if:
  a. Alcohol is not the focus of the event;
  b. Attractive alternative beverages are provided;
  c. Procedures are in place to prevent service or sale to persons under the legal age of 21;
  d. Alcoholic beverages are not purchased with organization funds nor with the contributions of individual members;
  e. Alcohol is not served from common or self-serve containers;
  f. Service complies with this Policy, as well as the rules of the facility;
  g. Designated non-drinking hosts are assigned to attend the event;
  h. Assist any attendee who is intoxicated with finding alternative transportation home.

If alcohol is to be present at an event, the preferred methods of serving alcoholic beverages are to use a professional caterer or hold the event at a site provided by a vendor who is licensed to sell and serve alcohol. If these methods are not possible, request that guests of legal drinking age bring a reasonable amount of alcohol that only they will consume at the event. Schools, departments, units and administrative offices as appropriate are expected to encourage student organizations’ compliance with these expectations and recommendations.
7. University Sanctions — U-M Ann Arbor Campus

The use or abuse of alcohol and other drugs also increases the risks for behavioral and social problems such as negative effects on academic work performance; conflicts with co-workers, classmates, family, friends and others; conduct problems resulting in disciplinary action, including loss of employment or dismissal from an academic program; and legal problems resulting in ticketing, fines and imprisonment.

The laws of the state of Michigan and U-M’s policies prohibit the consumption or possession for personal consumption of alcoholic beverages by persons under the age of 21 years. Further, Michigan laws and University policies prohibit the sale, service or giving of alcoholic beverages to persons under the age of 21. U-M’s policies, local ordinances and laws, state laws and federal laws also prohibit the unlawful possession, use and/or distribution of illicit drugs and alcohol.

Violation of University policies will be subject to campus disciplinary review and action, as follows:

- **Students:** The University community has established expectations for nonacademic student conduct under the Statement of Student Rights and Responsibilities (The Statement). The Statement specifically addresses the illicit use of alcohol and other drugs as follows:

  The following behaviors contradict the values of the University community and are subject to action under this Statement:
  - Illegally possessing or using alcohol
  - Illegally distributing, manufacturing, or selling alcohol
  - Illegally possessing or using drugs
  - Illegally distributing, manufacturing, or selling drugs

The Statement is administered by the Office of Student Conflict Resolution (OSCR). OSCR is charged with facilitating the resolution process used to determine responsibility. OSCR staff work with parties to determine appropriate educational measures and sanctions. These measures cover a wide range of educational assignments and obligations, including but not limited to suspension and expulsion from the institution. OSCR may delegate portions of the Conduct Process to other units of the University who have a vested interest in the conduct of smaller student communities (e.g. University Housing, Athletic Department).

Academic units of the University also may have written policies concerning management of alcohol use and their response to the illicit use of alcohol and other drugs in the academic setting. Students are expected to know and understand these additional policies and abide by them.

- **Student Organizations:** Policy violations by non-Greek affiliated registered student organizations will be handled through the student organization judicial process administered through the Center for Campus Involvement. Violations by Greek-affiliated student organizations will be adjudicated by the Greek Activities Review Panel (GARP). Greek-affiliated student organizations also can be held accountable by their national organizations.

- **Staff and Faculty:** Sanctions for violations by faculty and staff are governed by policies within individual departments and any applicable guidelines set by University regulations (Regents’ Bylaw 5.09, Standard Practice Guide 201.12), appropriate collective bargaining agreements, and other applicable policies or procedures. Appropriate sanctions may include: verbal or written warnings, a mandated rehabilitation program, probation, suspension, and termination. In each case, there are likely to be different circumstances that are relevant for understanding the situation and determining the appropriate sanction.

8. External Sanctions

Violations of laws and ordinances may result in misdemeanor or felony convictions accompanied by the imposition of legal sanctions, which include, but are not limited to, the following:

- Fines as determined under local, state, or federal laws;
- Imprisonment, including up to life imprisonment, for possession or trafficking in drugs such as heroin, cocaine, marijuana and prescription drugs;
- Forfeiture of personal and real property;
- Denial of federal benefits such as grants, contracts and student loans;
- Loss of driving privileges;
- Required attendance at substance abuse education or treatment programs.

A full description of federal sanctions for drug felonies can be found at: http://www.justice.gov/dea/druginfo/tp3.shtml. This section is not intended as legal advice; consult with an attorney regarding your specific legal issues. For more information, please contact Student Legal Services at (734) 763-9920 or visit http://studentlegalservices.umich.edu/ for more information

**Alcohol:** Under Michigan law, it is illegal for anyone under the age of 21 to purchase, consume or possess, or have any bodily content of alcohol. A first-time conviction may result in a fine, substance abuse education and treatment, community service and court-ordered drug screenings. There also is a provision for possible imprisonment or probation for a second or subsequent offense. Use of false identification by minors in obtaining alcohol is punishable with a fine, loss of driver’s license, probation and community service.

Individuals can be arrested and/or convicted of operating a vehicle while intoxicated with a blood alcohol concentration (BAC) level at .08 or higher. If a student is under 21, there is a “zero tolerance” law in the state of Michigan and any blood alcohol level of .01 or higher can lead to a minor in possession (MIP) citation as well as being cited for operating a vehicle while intoxicated, if applicable. This is in addition to suspension of driving privileges in the state of Michigan.

**Medical Amnesty:** To better ensure that minors at medical risk as a result of alcohol intoxication will receive prompt and appropriate medical attention, the State of Michigan provides for medical amnesty to remove perceived barriers to calling for or seeking help.

Michigan law continues to prohibit a minor from purchasing, consuming, or possessing, or attempting to purchase, consume, or possess, alcoholic liquor and from having any bodily alcohol content. The medical amnesty law provides an exemption from prosecution for the following:

- A minor (under the age of 21) who, after consuming alcohol, voluntarily presents himself or herself to a health facility or agency for treatment or observation, including medical
examination and treatment for any condition as a result of sexual assault (as defined in Michigan law).

- Any minor (under the age of 21) who accompanied a minor (under the age of 21) who, after consuming alcohol, voluntarily presented himself or herself to a health facility or agency for treatment or observation, including medical examination and treatment for any condition as a result of sexual assault (as defined in Michigan law).

- Any minor (under the age of 21) who initiated contact with law enforcement or emergency medical services personnel for the purpose of obtaining medical assistance in connection with a legitimate health care concern.

The University of Michigan maintains the discretion to refer the individual for appropriate educational intervention(s).

**Marijuana:** The laws regarding marijuana possession on campus differ from those in the city of Ann Arbor. The property occupied by the University of Michigan is under the jurisdiction of the laws of the state of Michigan. Under these laws, possession of marijuana on U-M property is a misdemeanor, punishable by a fine up to $2,000 and/or imprisonment of up to one year. Persons convicted of possession of marijuana off U-M property but in the city limits of Ann Arbor will be charged with a civil infraction and required to pay a fine.

**Michigan Law Governing Marijuana:** The Michigan Medical Marijuana Act (MILLA) conflicts with federal criminal laws governing controlled substances, as well as federal laws requiring institutions receiving federal funds, by grant or contract, to maintain drug-free campuses and workplaces. The University of Michigan receives federal funding that would be in jeopardy if those federal laws did not take precedence over state law. Thus the use, possession or cultivation of marijuana in any form and for any purpose continues to violate the UM Alcohol and Other Drug Policy and is prohibited at the University of Michigan.

9. **Employee Reporting Requirement**

Under the Drug-Free Workplace Act, in addition to the other requirements of this Policy, the University of Michigan requires all employees who work in any capacity under a federal grant or contract to notify his or her University supervisor or department head in writing of his or her conviction for a violation of any criminal drug statute occurring in the workplace or on work-related activities no later than five (5) calendar days after such conviction. The supervisor or department head will notify University Human Resources, who will consult with the appropriate staff in the Division of Research Development and Administration regarding satisfying the University’s reporting obligations.

10. **Alcohol Marketing Standards**

The University of Michigan will refuse advertising inconsistent with the fundamental missions of the University, or in conflict with the image the University seeks to project or the well-being of the University community. Examples of advertisements that will not be accepted include:

- Alcoholic beverages
- Tobacco products
- Sex as a product
- Gambling
- Paraphernalia associated with illegal drugs
- Dishonest, deceptive, or illegal advertising.

A full description of the University’s marketing standards can be found at: http://vppcomm.umich.edu/brand/#advertising

11. **Distribution of Policy**

A copy of this Policy statement will be distributed to all faculty, staff and students annually via email at the beginning of fall semester.

12. **Review of University Prevention Program and Policy**

Biennially the University shall review its “Alcohol and Other Drugs Prevention Program and Policy” to determine effectiveness and implement changes, if needed, and to ensure that the University’s disciplinary sanctions are consistently enforced.

13. **For More Information**

For more information concerning this Policy, contact the U-M Alcohol and Other Drugs Prevention Program, Wolverine Wellness, University Health Service at (734) 615-7694.

Revised September 2014

**Statement of Student Rights and Responsibilities**

The Statement of Student Rights and Responsibilities was revised in July 2013. The complete Statement can be found at www.oscr.umich.edu/statement.

I. **Introduction**

The University of Michigan-Ann Arbor (the University) is dedicated to supporting and maintaining a scholarly community. As its central purpose, this community promotes intellectual inquiry through vigorous discourse. Values which undergird this purpose include civility, dignity, diversity, education, equality, freedom, honesty, and safety.

When students choose to accept admission to the University, they accept the rights and responsibilities of membership in the University’s academic and social community. As members of the University community, students are expected to uphold its previously stated values by maintaining a high standard of conduct. Because the University establishes high standards for membership, its standards of conduct, while falling within the limits of the law, may exceed federal, state, or local requirements.

Within the University, entities (such as schools and colleges; campus, professional, and student organizations) have developed policies that outline standards of conduct governing their constituents and that sometimes provide procedures for sanctioning violations of those standards. This Statement of Student Rights and Responsibilities (the Statement) does not replace those standards; nor does it constrain the procedures or sanctions provided by those policies. This Statement describes possible behaviors which are inconsistent with the values of the University community; it outlines procedures to respond to such behaviors; and it suggests possible sanctions/interventions which are intended to educate and to safeguard members of the University community.
The remaining sections of the Statement include:

I. Introduction
II. Student Rights
III. Student Responsibilities
IV. Violations
V. Scope of the Violations
VI. Procedures
   o Stage 1: Initiating the Resolution Process
   o Stage 2: Resolution Process
     A. Acceptance of Responsibility and Entering into an Agreement
     B. Adaptable Conflict Resolution (including Mediation)
     C. Hearing
   o Stage 3: Appealing the Resolution Process
VII. Sanctions/Interventions
VIII. Related Procedures
      A. Emergency Suspension
      B. Procedural and Interpretive Questions
      C. Selection of Mediators, Student Panelists, and Resolution Officers
      D. Records of Resolution Actions
      E. Student Access to Records
      F. Reports of Actions
      G. Concurrent Legal and Statement Proceedings
      H. Respect for Medical Amnesty
      I. Advisor Corps
      J. Amending the Statement of Student Rights and Responsibilities

Access Control
Residence halls are secured 24 hours a day; all other campus facilities have scheduled open hours which may vary at different times of the year. Open hours are developed by the school, college or department responsible for the facility. Notifications of changes in these hours of operation must be forwarded to the U-M DPSS by the person identified as being responsible for the building.

During scheduled business hours, public areas of the University are open to students, parents, employees, contractors, guests and invitees. During non-business hours, access is permissible by authorized persons possessing University identification and legally issued keys or access cards. Persons not in possession of a key or access card will not be allowed to remain unless accompanied by an authorized person or written authorization from the appropriate dean, director, or department head.

Keys and/or access-control cards are issued to individuals to allow them to gain general access to their assigned areas. To safeguard and protect the community, keys and access-control cards should be kept on your person at all times or secured in a locked container, drawer, etc. Never lend them out, and check them daily to assure none are missing. Never duplicate a key. Failure to follow these guidelines places the community at risk.

Residence Hall Access Control
University Housing is a residential community safeguarded, in part, by an access-control system that restricts entry to the buildings and assigned space. The following provides an overview of protocols, guidelines and understandings related to access-control.
UNIVERSITY REGULATIONS

The University passed Ordinance 14 in September 1991 which contains regulations concerning alcohol, disorderly conduct, fire setting, and weapons. To view the complete Regents’ Ordinance, visit www.regents.umich.edu/ordinance.html. A person who violates any of the following regulations is guilty of a misdemeanor and, upon conviction, may be imprisoned for a period of ten to sixty days, and/or may be fined up to $50 plus court costs.

Fire Setting and False Alarms

The University prohibits setting “any fire upon University property or University buildings except in approved stoves or grills or as otherwise permitted by University officials by a prior writing.” In addition, it is violation of state law to knowingly or willfully commit any or one of the following actions:

- to raise a false alarm of fire at any gathering or any public place; or by telephone or in person,
- to ring any bell or operate any mechanical apparatus, electrical apparatus, or combination thereof, for the purpose of creating a false fire alarm.

Violation of the state law shall be regarded as a misdemeanor and may result in imprisonment for not more than one year and a fine in the amount of $50.00 or less.

In addition, these actions are a violation of the Statement of Student Rights and Responsibilities.

Information about fire safety systems and rules in the residence halls can be viewed at www.housing.umich.edu/services/security/firesafety.html.

Weapons

The University prohibits the possession or discharge of any firearm or other dangerous weapon as defined under Michigan law, regardless of whether the individual has a concealed weapons permit. In addition, any knife, sword or machete having a blade longer than four inches, or, in the case of a knife with a mechanism to lock the blade in place when open, longer than three inches is also prohibited. This prohibition includes all of the Ann Arbor campus.

Exceptions to this Ordinance include:

- University employees who are authorized to possess and/or use such a device pursuant to Standard Practice Guide 201.94;
- Law enforcement officers or legally established law enforcement agencies;
- When someone possesses or uses such a device as part of a military or similar uniform or costume in connection with a public ceremony or parade or theatrical performance;
- When someone possesses or uses such a device in connection with a regularly scheduled educational, recreational or training program authorized by the University;
- When someone possesses or uses such a device for recreational hunting on property which has been designated for such activity by the University provided such possession and use is in strict compliance with applicable law; or
- A written waiver is obtained from the Police Chief of the University’s Police Department based on extraordinary circumstances. Any such waiver may include certain restrictions when the Director determines that such restrictions are appropriate under the circumstances.

A person who violates the Ordinance is guilty of a misdemeanor, and upon conviction, punishable by imprisonment for not less than ten days and no more than 60 days, or by fine of not more than $50, or both.

STATE LAWS

State of Michigan Stalking Laws

Stalking -

A misdemeanor punishable by up to one year in the county jail and $1,000.00 fine. This is defined as two or more separate incidents of non-consenting contact between stalker and victim. The acts must be done willfully, be such as would cause a reasonable person to suffer emotional distress, and to feel terrorized, frightened, intimidated, threatened, harassed, or molested.

Aggravated Stalking -

A felony punishable by a sentence of up to five years in prison and/or a $10,000.00 fine. Aggravated Stalking is defined as a violation of a Personal Protection Order, bail, probation condition, or a second offense. Stalking also is a violation of the Statement of Student Rights and Responsibilities.

Sex Offender Registry

In accordance with State laws, the U-M Police Department maintains a list of registered convicted sex offenders who reside on campus.

A non-permanent resident of Michigan who is required to register shall report her or his status within ten days in person to the U-M Police Department, if any of the following occur:

- The individual is or becomes an employee, contractual provider, employee of a contractual provider or volunteer with the University of Michigan and her/his position will require that s/he be present on the campus for 14 or more consecutive days or 30 or more total days in a calendar year.
- The status described above is discontinued.
- The individual is or enrolls as a student with the University or the individual discontinues that enrollment.

If the individual is a permanent resident of Michigan, s/he shall report her or his status in person at the local law enforcement agency having jurisdiction where her or his new residence is located. If the individual resides on campus (student residence halls and family housing units), then s/he must report her/his status to UMPD. Persons residing on University property outside of the Ann Arbor campus will be directed to the local police agency that has overall jurisdiction.

The Sex Offender list is available for public view at the UMPD (1239 Kipke Dr.). In addition, the public can access the State of Michigan Public Sex Offender Registry file via the Internet at http://www.mipsor.state.mi.us.
SAFETY AND HEALTH-RELATED RESOURCES

U-M Division of Public Safety and Security
109 E. Madison St.
Ann Arbor, MI 48109-2993
734) 763-8391
www.dpss.umich.edu

The Division of Public Safety and Security (DPSS) is responsible for all police and security functions related to the University’s Ann Arbor campus, including the University of Michigan Police Department, the Hospitals and Health Centers Security Services, the Housing Security and Safety Services, the University Security Services, and other campus-wide security functions.

DPSS was created in October 2012 to unify security functions that previously were embedded and reporting within different University vice presidential areas. The unification is intended to develop a more integrated approach to safety and security, to improve efficacy and consistency in incident response protocols and procedures, and to continue to build partnerships that support campus safety across the institution.

DPSS maintains a 9-1-1 Emergency Communication Center to monitor intrusion, robbery, fire, elevator, temperature, and maintenance alarms for University buildings. Appropriate response is determined and necessary action is taken. The Communications Center is operated 24 hours a day, seven days a week. The Communications Specialists monitor radio communications from a variety of University departments as well as other public safety agencies.

The DPSS Emergency Management works to assist U-M units with preparing for emergency situations that may impact the campus including planning, coordination and exercises to test readiness.

A U-M environmental safety design review committee, including a DPSS representative, meets regularly to develop short- and long-term standards and recommendations for existing buildings, landscaping, maintenance, and similar security issues, as well as new facility design criteria to improve the safety of the campus environment. Grounds crews routinely inspect shrubbery and lighting. Lighting maintenance is a responsibility jointly shared by the University and the City of Ann Arbor. Each light pole bears a number to facilitate immediate reporting of faulty lighting to U-M DPSS.

On a requested basis, DPSS officers make presentations designed to inform students and employees about safety and security procedures and practices that aid in the prevention of crime, with a focus on individual and community responsibility for personal and property security and the security of others. One presentation trains students and employees in active shooter response. Overview safety presentations are made to each session of new student and parent orientations. Contact DPSS to schedule a presentation.

For more information about our safety and security services and programs, please visit our website at www.dpss.umich.edu or email us at dpss-safety-security@umich.edu.

University Police Department

The University of Michigan Police Department (UMPD) is a full service law enforcement agency. Police officers are licensed by the Michigan Commission on Law Enforcement Standards (MCOLES), and have the authority to investigate, search, arrest and use reasonable force as necessary to protect persons and property and to enforce the laws of the State of Michigan and the Ordinance of the Regents of the University of Michigan.
University Police Officers patrol all campus buildings and grounds. These patrols are designed to prevent and detect crimes and property loss from crime, fire and floods. Patrols are conducted 24 hours a day, seven days a week. Patrols are performed by officers on foot, in motor vehicles, and on motorcycles and bicycles. Specialized police services provided by officers include: criminal investigations, accident investigations, evidence technicians, mountain bike patrol, motorcycle, tactical team, K9 teams, computer forensics, special problems team and community outreach team.

The University Police Department has a cooperative relationship and works very closely with the Ann Arbor Police Department and the other local, state and federal law enforcement agencies in matters of mutual concern. The Washtenaw County Law Enforcement Mutual Aid Agreement assures that each police agency in Washtenaw County agrees to aid other agencies in need of law enforcement assistance, and is just one example of the cooperation between area police agencies. The University also contracts with other Michigan law enforcement agencies for athletic events and other special events.

UMPD has officers assigned to districts throughout the campus. These officers work together with University community members to reduce the fear of crime and the conditions that contribute to crime, and to increase the community’s involvement in resolving these issues. Officers are encouraged to establish and maintain long-term working relationships with community members. Rather than solely reacting to events, district teams will take a preventive approach to eliminating problems that cause crime or allow it to occur. Problem Oriented Policing principles are used as a means to attack the conditions that allow or contribute to crime, as well as other elements that detract from the quality of life.

In August 2009, UMPD became nationally accredited by the Commission on Accreditation for Law Enforcement Agencies. The Department achieved a three-year advanced reaccreditation in August 2012.

In 2013, the Department received an additional accreditation from the International Association of Campus Law Enforcement Administrators (IACLEA).

Hospitals and Health Centers Security Services
(734) 763-5511 - Security Administration (during normal business hours)
(734) 936-7890 - Facilities Control Center (24/7)
Dial 911 for all emergencies
www.dpss.umich.edu

Security for the Hospitals and Health Centers is provided by the HHC Security Services Department. Hospital Security is part of the Division of Public Safety & Security and provides a very comprehensive security service program that delivers optimal customer service to our patients, families, visitors and employees.

Some of the services provided include security patrols and escorts, assisting patients and visitors, access control, visitor screening, way-finding, loss prevention and CCTV monitoring. Another primary role is to support patients, families and visitors who are sometimes facing very difficult and traumatic challenges in their lives. Hospital Security also assists medical staff with specific patient care needs often needed in very stressful and difficult conditions.

Housing Security and Safety Services
9-1-1 Emergency
(734) 764-6185 Administration
www.dpss.umich.edu

The primary responsibility of Housing Security is to ensure the safety of residents, staff and guests utilizing University Housing owned or controlled properties. This includes security patrols, crime prevention initiatives, fire safety, access control, emergency preparedness, security technologies, and regular interaction with our Housing colleagues and other campus partners. Officers patrol Housing properties to deter crime, identify safety hazards, potential threats, and security concerns in the community. They also have responsibility for community building with staff and residents, in order to promote a culture of safety, approachability and reporting. Officers are responsible for responding to and evaluating requests for emergency assistance and coordinating appropriate police, fire and medical responses, as needed. Officers are responsible for conducting non-criminal investigations, as well as preliminary investigations into criminal activity, in close collaboration with the U-M Police Department (for criminal matters). Housing Security Officers prepare incident reports for general assistance, student behavior, and criminal complaints, and are required to participate in the criminal justice process as well as the student conduct processes. In addition, Housing Security leadership has responsibility for student crisis management in Housing and at the institutional level, as well as the coordination of emergency preparedness efforts for the Division of Student Life.
Other Emergency Responders

Ann Arbor Police Department
301 E. Huron
Ann Arbor, MI 48104
For an emergency off-campus, dial 9-1-1. The Ann Arbor Police Department will be the responding agency if you are using a non-University phone.

Non-Emergency ................................................(734) 994-2911
Police Desk .......................................................(734) 794-6920
Police Tip Line...................................................(734) 794-6939
Neighborhood Watch & Crime Prevention ........(734) 794-6900 x 49346

Hours of operation:
• 24 hours a day, 7 days a week

The Ann Arbor Police Department is a full service agency offering Crime Prevention and Crime Notification Programs. The programs include Neighborhood Watch, Code Red and Crime Mapping.com. The Department also offers various crime prevention programs such as the Citizen’s Police Academy, the Community Emergency Response Teams and other educational presentations.

The Neighborhood Watch program relies on over 300 volunteer Block Captains who act as liaison between the neighborhood and the police department, relaying neighborhood concerns and suspicions. It fosters a strong cohesive partnership with citizens and the police department to prevent crime and enhance quality of life issues in Ann Arbor.

The Crime Prevention Programs offered educate the public in a variety of topics to include personal safety, emergency preparedness and the ins and outs of Emergency Services within the City of Ann Arbor.

For more information on these programs and other city services, please visit our website at www.a2gov.org.

Ann Arbor Fire Department
115 N. Fifth Avenue
Ann Arbor, MI 48104
(734) 794-6961 Non-emergency
(734) 794-6961 9-1-1 Emergency

The City of Ann Arbor Fire Department provides a broad range of emergency services to the community including fire suppression, vehicle accident and extrication, medical assistance, water and ice rescue, as well as playing a large part in the Washtenaw County Hazardous Material and Technical Rescue teams. The department also includes fire prevention services dedicated in keeping the City safer such as conducting fire safety inspections, overseeing fire related permits, and investigating fires. The department responds to emergency and non-emergency requests out of five stations throughout the City.

Occupational Safety and Environmental Health (OSEH)
1239 Kipke Drive
Ann Arbor, MI 48109-1010
www.oseh.umich.edu

(734) 763-6973 Administration

(734) 647-1142 Scientific Diving Safety
(734) 615-7025 Office of Campus Sustainability

Hours of operation:
• Monday-Friday 7:30 am - 4:30 pm
• After hours and weekends, contact the U-M DPSS at (734) 763-1131

Recognized as a national leader for more than 40 years, the University of Michigan’s Occupational Safety and Environmental Health (OSEH) Department is a vital link in the enhancement of a healthy and safe University environment where individuals pursue research and education, and enjoy the benefits the University has to offer.

OSEH’s nine specialized program areas lead the University and support the surrounding community through partnership, guidance, and education to promote health, safety, protection of the environment, and compliance with local, state and federal rules dealing with hazardous materials, operations, fire and life safety, and environmental protection.

The combined technology, training, and expertise within each program area serve the safety and health needs of the University community. Comments, observations, inquiries, recommendations, concerns, or complaints regarding occupational safety and environmental health at the University may be directed to any program area.
ON-CAMPUS SUPPORT SERVICES

Counseling and Psychological Services (CAPS)
3100 Michigan Union
Ann Arbor, MI 48109-1308
(734) 764-8312
www.caps.umich.edu
www.mitalk.umich.edu

Hours of operation:
• Monday-Thursday 8 am - 7 pm (during academic year)
• Friday 8 am - 5 pm (during academic year)
• Monday-Friday 8 am - 5 pm (spring/summer)
• Services free of charge for enrolled students

CAPS is committed to providing multicultural and multidisciplinary expert and caring therapeutic support at no charge for currently enrolled University of Michigan-Ann Arbor campus students. Clinical services include brief personal therapy for individuals, couples and groups and crisis intervention. CAPS also provides outreach and education through consultations, presentations, workshops and liaison relationships. CAPS has seven training programs for advanced graduate and medical students in the mental health fields. Common reasons students go to CAPS include, but are not limited to: depression, anxiety, self-esteem, academic role and relationship issues. The staff at CAPS includes professional therapists, psychiatric staff and interns from graduate programs in psychology and social work.

CAPS is also engaging the university community with “do something,” a large scale college student mental health awareness campaign which highlights both QPR (a well-received, ongoing, suicide prevention training program) and MiTalk (a University of Michigan student-focused interactive mental health website). do something was created to help increase college student mental health awareness as well as strengthen the University of Michigan’s community of caring. For more information about these programs, to request a QPR training session for your department or student group or to learn more about CAPS services, please visit both websites listed.

UMHS Employee Assistance Program (EAP)
D2101 Medical Professional Building
1500 E. Medical Center Drive
Ann Arbor, MI 48109-5718
(734) 763-5409
eap@umich.edu
www.eap.med.umich.edu

Hours of operation:
• Monday 8 am - 6 pm
• Tuesday-Friday 8 am - 5 pm
• Call for an appointment

The UMHS Employee Assistance Program is an assessment, referral, consultation and short-term counseling service. Our services are confidential, free, and available to all UMHS faculty, staff, and their immediate families. Guidance is provided for employees whether the problem arises in one’s personal life or in the workplace.

Services are provided by staff whose professional backgrounds include nursing, social work and psychology. All individual clinical work is rooted in empirically supported practices. In addition, an overarching theme of the EAP is its focus on building and broadening individuals’ strengths. This perspective guides every interaction we have with UMHS faculty and staff.

The scope of our services is multifaceted, addressing a wide range of personal, interpersonal and occupational needs.

Faculty and Staff Assistance Program (FASAP)
2076 Administrative Services Building
1009 Greene St.
Ann Arbor, MI 48109-1432
(734) 936-8660
www.fasap.umich.edu

Hours of operation:
• Monday 8 am - 6 pm
• Tuesday-Friday 8 am - 5 pm
• Call for an appointment

FASAP is a resource for University of Michigan faculty and staff. FASAP’s purpose is to provide confidential assessment, brief counseling services and referral recommendations, when needed, to individuals with personal concerns or problems in areas of interpersonal or marital/partner relations, family problems, and emotional difficulties, such as depression or anxiety.

These services are fully paid by the University, at no charge to faculty and staff. FASAP offers a variety of educational Brown Bags on emotional health topics, which can be held in University departments or units upon request. Also educational series on such topics as, managing anger, stress management, and parenting of teens, are offered.

IT User Advocate
Arbor Lakes Building 3
4251 Plymouth Road
Ann Arbor, MI 48105-3640
abuse@umich.edu

The Information Technology User Advocate, a department of Information and Technology Services, investigates reports of violations of the responsible use of computing resources at the university and works within the university community to ensure that certain information technology policies are followed. Users should contact the User Advocate if they suspect abuse of university computing sources including the following:

• Harassing messages
• Spam sent using a umich.edu email address
• Digital copyright infringement
• Misappropriation of computing resources for commercial use

Policies regarding the proper use of information technology at the University of Michigan are available at www.cio.umich.edu/policy/.
Universities frequently are the targets of attempts to disrupt computing operations and/or to gain unauthorized access to institutional information. Information and Infrastructure Assurance (IIA), a department of Information and Technology Services, collaborates with individual U-M units to respond to IT security incidents effectively and consistently, and to mitigate their negative impact.

**Reporting IT security incidents:**
Users of university information resources can assist in these efforts by promptly reporting any IT security incidents, including the following:
- Unauthorized exposure of private personal information (which may lead to identity theft or misrepresentation)
- Computer break-ins and other unauthorized use of U-M systems or data
- Theft or loss of equipment, including portable equipment such as laptops and flash drives
- Interference with the intended use of IT resources

Users should report any incident to the IT Security Unit Coordinator for their school, college, unit, or department or to security@umich.edu.

**Mediation Services for Faculty & Staff (MSFS)**
2072 Administrative Services Building
1009 Greene St.
Ann Arbor, MI 48109-1432
(734) 615-4789
mediation.services@umich.edu

**Hours of operation:**
- Monday-Friday 8 am - 5 pm
- Appointments may be scheduled before and after regular hours when needed
- Call or email for an appointment

Mediation Services for Faculty and Staff provides confidential consultation and mediation to help address and resolve workplace problems. These services are available to U-M faculty and staff free of charge. Please visit www.umich.edu/~mediate for more information.

**Sexual Assault Prevention and Awareness Center (SAPAC)**
2450 North Quad RAC
105 S. State St.
Ann Arbor, MI 48109-1308
(734) 764-7771
(734) 936-3333 (24-hour crisis line)
www.sapac.umich.edu

**Hours of operation**
- Monday-Friday 9 am - 5 pm
- 24-hour crisis line

SAPAC is the designated office at the University of Michigan to provide services around issues of sexual assault, interpersonal violence, stalking and sexual harassment. Services include: educational programs; professional training; advocacy for survivors; 24-hour crisis line and in-person outreach services, assistance in dealing with the criminal justice, medical and/or university systems; and professional consultation for individuals working with survivors in particular University contexts.
The Spectrum Center provides a variety of services to lesbian, gay, bisexual and transgender (LGBT) students, faculty, staff and their families and friends. We offer programs, events, LGBTA ally training, speakers bureau panels, crisis intervention, a resource library and information and referral services. We also offer support groups, a harassment reporting system, intern and research opportunities, and leadership training and development. Through our staff, interns and volunteers the Center participates in building coalitions with other campus organizations as well as with other LGBT programs on college campuses around the country.

Office of Student Conflict Resolution (OSCR)
100 Student Activities Building
Ann Arbor, MI 48109-1316
(734) 936-6308
www.oscr.umich.edu

Hours of operation:
• Monday-Friday 8 am - 5 pm
• Call for an appointment or stop by the office

OSCR provides a variety of programs and services designed to support a safe, just and peaceful community, and to help Michigan students learn how to manage and resolve conflict peacefully. OSCR offers a full-spectrum of conflict resolution pathways. These include Facilitated Dialogue, Restorative Justice Circles, Shuttle Negotiation, Social Justice Mediation, as well as the Formal Conflict Resolution process as described in the Statement of Student Rights and Responsibilities: www.oscr.umich.edu/statement/. The statement is a community-owned expression of Michigan’s values that outlines both the rights that U-M students enjoy as well as responsibilities they accept as members of this community. OSCR staff members are available to consult with faculty regarding conflict resolution programs and services. Please call to speak with a staff member or to make an appointment.

University Health Service (UHS)
207 Fletcher Street
Ann Arbor, MI 48109-1050
(734) 764-8320 General information
(866) 204-1082 After-hours advice (for urgent concerns)
www.uhs.umich.edu

UHS is a comprehensive health care clinic, all in one building on central campus. UHS can handle minor emergencies but is not equipped to handle major medical emergencies. Nurse advice is available, day or night, which may prevent a trip to UHS or the ER. UHS provides wellness services.

8 am - 5:30 pm M,T,W
9 am - 5:30 pm Th
8 am - 4:30 pm F
9 am - noon Sat

Hours are reduced during spring/summer terms, semester breaks and holidays. Department hours may vary from UHS building hours.

The following are eligible to use UHS:
• U-M students from all campuses
• U-M alumni
• U-M faculty, staff and retirees
• Spouses, domestic partners, dependents (10 years and older), and guests of the above

Currently enrolled students pay a health service fee as part of tuition, which covers most services at UHS. Therefore, students have few expenses at UHS.

Health insurance is highly recommended but not required to receive care at UHS. Students should have health insurance to pay for costs not covered by the health service fee (e.g. medication, emergency room visits, hospitalization, ambulance or services outside UHS). Fees for these services are the student’s responsibility. When appropriate, UHS will bill health insurance.

Patients are seen at UHS by appointment, but for urgent problems, UHS offers options including nurse advice by phone, day or night.

The U-M DPSS (734) 763-1131 can provide transportation from campus locations to UHS in non-emergencies.
OFF-CAMPUS SUPPORT SERVICES

Domestic Violence Project/SafeHouse Center
4100 Clark Road
Ann Arbor, MI 48105
(734) 973-0242 - Business Office
(734) 995-5444 24-hour help line

Hours of operation:
• Monday-Friday 9 am - 5 pm
• 24-hour shelter and help line

The Domestic Violence Project, Inc./SafeHouse Center is a private, non-profit organization working to end domestic violence and sexual assault in Washtenaw County. This program offers emergency shelter (open 24 hours), legal advocacy, crisis intervention, advocacy, residential and non-residential counseling, drop-in support groups, children’s programs, and follow-up services.

Services are free to those who live or work in Washtenaw County.

SOS Community Services Housing Crisis Center
114 North River Street
Ypsilanti, MI 48198
www.soscs.org

Business Office —
101 South Huron Street, Ypsilanti, MI 48197
(734) 485-8730
9 am - 5 pm, Monday-Friday

Hours of operation:
Walk in hours: Wednesday: 1 pm - 5 pm
Thursdays: 9 am - 5 pm

Food Pantry Walk-In hours
10 am - 6:30 pm Tuesday

SOS Community Services is a non-profit organization dedicated to preventing and ending homelessness in Washtenaw County. Our services include shelter, transitional and rigid rehousing, employability and educational assistance, parenting programs, and after-school children’s programs. To learn more about SOS, visit www.soscs.org.

UNIVERSITY PROGRAMS

Police Department Oversight Committee
2005 Wolverine Tower
Ann Arbor, MI 48109-1281
(734) 647-7292
www.hr.umich.edu/umpd

The function of this independently elected Committee, as provided by Michigan Public Act 120 of 1990, is to receive and address grievances and complaints by persons against U-M police officers or the U-M Police Department. The Committee may make recommendations concerning such grievances to the Executive Director of the Division of Public Safety and Security, including recommendations for disciplinary action.

To get information or to file a complaint, call (734) 647-7292, email pdoversight@umich.edu or stop by the Wolverine Tower office.

Office of Multi-Ethnic Student Affairs (MESA)
530 S. State Street
2202 Michigan Union
Ann Arbor, MI 48109-1308
(734) 763-9044
www.mesa.umich.edu

Hours of operation:
Monday-Friday 9 am - 5 pm

William Monroe Trotter Multicultural Center
1443 Washtenaw Ave.
Ann Arbor, MI 48104-3120
(734) 763-3670
www.mesa.umich.edu/trotter

Hours of operation:
Monday-Friday 9 am - 10 pm (fall/winter terms)
Saturday-Sunday 12 pm - 10 pm (fall/winter terms)
Monday-Friday 9 am - 5 pm (spring/summer terms)
(After hours events can be scheduled through reservations until 1:30 am).

The Office of Multi-Ethnic Student Affairs (MESA) and the William Monroe Trotter Multicultural Center (TMC) is one Student Life unit with two locations and a multiplicity of offerings.

With the mission “To promote student development and empower the campus community around issues of diversity and social justice through the lens of race and ethnicity” we provide support to all students through programming and strive to meet the facility/multicultural center needs of students.

We encourage and support engagement with other communities and given the multiple and complex identities of today’s students, we address them with an intercultural and leadership focused approach. Our work is grounded in theory and emphasizes community, multicultural and intercultural development and promotes cross collaboration, develops intercultural skills, empowers students to address social justice issues.
The Office for Institutional Equity
2072 Administrative Services
1009 Greene St.
Ann Arbor, MI 48109-1432
(734) 763-0235
(734) 647-1388 TTY
www.hr.umich.edu/oie

Hours of operation:
• 8 am - 5 pm Monday-Friday
• After hours by appointment only

The Office for Institutional Equity (OIE) provides the delivery of programming and services for faculty, staff and students. OIE’s mission is to provide leadership and support on matters relating to equity, diversity, respect and inclusiveness for all members of the University of Michigan community. OIE staff provides guidance, support and delivery of programming services and educational initiatives to University faculty, staff, and students to support diversity, inclusiveness, equal access, equitable treatment, cultural understanding and the prevention of prohibited discrimination and harassment.

OIE oversees, facilitates and supports the University’s efforts to ensure equal opportunity for all persons regardless of race, color, national origin, age, marital status, sex, sexual orientation, gender identity, gender expression, disability, religion, height, weight, or veteran status in employment, educational program and activities, and admissions.

To fulfill our mission, the Office for Institutional Equity provides:
• Information, consultation, training and resources to the University community with regard to diversity, harassment, and discrimination prevention, affirmative action, equal opportunity and disability matters;
• Individual consultation with University managers, supervisors, faculty, students, and administrators;
• A mechanism for responding to complaints of harassment and discrimination;
• Oversight of and support for the University’s compliance efforts in the areas of equal opportunity, affirmative action, harassment and discrimination prevention, and compliance with all applicable State and Federal civil rights laws.

Risk Management Services:
Argus II Building
400 South Fourth Street
Ann Arbor, Michigan 48103-4816
(734) 615-0643
(877) 863-1355 Toll Free
(734) 936-1913 Fax
work.connections@umich.edu
www.workconnections.umich.edu

Hours of Operation:
• 8 am - 5 pm Monday-Friday

The mission of Risk Management Services is to minimize the adverse affects of loss due to accidents or other unforeseen events that may be inflicted upon the physical and human assets of the University.

Risk Management Services:
• identifies and analyzes risk and assesses loss potential
• develops/implements loss funding and risk financing mechanisms (insurance coverage)
• eliminates/reduces risk through the loss prevention and safety programs
• handles claim control and litigation management

WorkConnections
Argus II Building
400 South Fourth Street
Ann Arbor, MI 48103-4816
(734) 615-0643
(877) 869-5266 Toll Free
(734) 936-1913 Fax
work.connections@umich.edu
www.workconnections.umich.edu

Hours of Operation:
• 8 am - 5 pm Monday-Friday

WorkConnections is an integrated disability management program developed by the University of Michigan to assist and support faculty and staff who have had an illness or injury that prevents them from working. The program will provide assistance through recovery and help facilitate a successful return to work.

Illness or Injury Reporting Standard:
• Report all work-related injuries and illnesses to WorkConnections within 24 hours. Illness/Injury Report forms are available online: (http://www.workconnections.umich.edu). Please FAX completed report to (734) 936-1913. Verbal reports can be taken by calling (734) 615-0643.
• Report non-work related disability events, resulting in ten or more days away from the workplace to WorkConnections to receive disability management assistance.

For additional information, visit our website at: www.workconnections.umich.edu or call (734) 615-0643.
